TOUCHY FEELY

I begged and pleaded a friend who finally said okay she'd go. But first she'd have to brush her teeth and put on pants and a heavy sweater. (You can never tell what's going to happen in the non-verbal communication part.)

...I after thought it was difficult to discuss global issues with a person whose thumb was stuck in her mouth...
For those who love opera this monument of mid-nineteenth-century French braininess is a pleasurable work to hear once in a long while.

The cast was well chosen in every respect, especially in the casting of the leading roles...
NEVER AGAIN
at this amazingly low price.
On Monday, March 26, 1973
the price of this series will increase from
$7.920 to $10.000

THE PLAINS AND THE ROCKIES

Lost Cause Press has published, on microfiche, every item we have
been able to find from the Wagner-Camp bibliography, Plains and
Rockies. We continue to search.

The first edition of H. R. Wagner's bibliography came out in 1936 after
three years' work of compilation. In 1953 a second edition was
printed. From 1953 C.L. Camp shared the work with W. Wagner and
revised the third edition. Included in this bibliography are books,
magazines, printed Federal documents, some compilations and
encyclopedias, and other publications. The North American
Geographical scope includes the region lying between the Mississippi
River and the Barren-Mountains of the West; and in
Canada extending from the Great Lakes westward.

The historical material we have assembled here on microfiche is
essential to the student of pioneer history.

Approximately 557 volumes, punched ................................ $7.920

On orders placed after March 26, 1973, the price will be $10.000.

A set of reading marks will be included with this shipment, at no
additional charge.

*Deposits of seven already in library collections may be retained for credit
within six months after receipt of shipment.
