December 20 to January 4

Reader’s Guide to the Music Scene

How the Salvation Army Rang My Chimes

People hidden under brown parachutes, with stocks of cards in each hand, didn’t even glance at my tall red topped with the Salvation Army shield displayed above it. It took me several minutes to develop a pleasant, rhythmic ring with my bell.

—Jane Weisman Stein—

When I first visited the Salvation Army headquarters in Eighth Avenue, there were no signs of the usual hustle. The usually crowded relief center was deserted. I walked the halls and saw no one except the security guard and a few Salvation Army personnel. They were working behind the scenes to provide food and clothing to those in need. I was surprised to see how efficient they were in handling the situation.

—Richie Pollack—

The Salvation Army is an organization that provides assistance and support to those in need. They work tirelessly to help those in crisis situations, whether it’s during a natural disaster or simply providing basic necessities to those who can’t afford them. It’s inspiring to see the dedication and commitment of the Salvation Army personnel.

—Mary Smith—

LAW

Casuality Vindicated

The recent case of the casuality vindicated the legal system. The defendant was found guilty of all charges and is currently serving time in prison. This case serves as a reminder of the importance of having a fair and impartial legal system.

—John Doe

The Salvation Army has a long history of serving those in need. Their mission is to support people during difficult times, whether it’s providing food, clothing, or other necessities. It’s heartening to see how much they do for their community.

—Jane Weisman Stein—

Where can you find scenic sidewalks, a live elf & affectionate houseplants?

Scrimshaw Square, of course!

And when you venture through our wondrous and unusual scope, the adventure begins. You'll be drawn down a winding avenue of 19th Century Americans, of shops and ships.

Scrimshaw Square is an accumulation of original art and crafts, custom designs and northern treasures. Being the only one of its kind, open daily, 9-11 a.m.

The only serious, in this plan, is for a few entertaining films... that are not intended to be seen in a theater. They are intended to be seen on TV, or in the privacy of your home. They are intended to be seen in the comfort of your own living room.

Dorothy Pond

The Christmas movies are supposed to be a time of joy and happiness, but a recent survey by the National Council of Churches has shown that the average Christmas movie is not very happy... or very joyous...

Shiloh

Shiloh... is a movie that is supposed to be a happy movie... but it is not. It is a movie that is supposed to be about family... but it is not. It is a movie that is supposed to be about love... but it is not.

The Garden Gate

The Garden Gate... is a movie that is supposed to be about love... but it is not. It is a movie that is supposed to be about family... but it is not. It is a movie that is supposed to be about happiness... but it is not.

Silverware

Silverware... is a movie that is supposed to be about family... but it is not. It is a movie that is supposed to be about love... but it is not. It is a movie that is supposed to be about happiness... but it is not.

The Plebian

The Plebian... is a movie that is supposed to be about love... but it is not. It is a movie that is supposed to be about family... but it is not. It is a movie that is supposed to be about happiness... but it is not.

Indian Arts

Indian Arts... is a movie that is supposed to be about family... but it is not. It is a movie that is supposed to be about love... but it is not. It is a movie that is supposed to be about happiness... but it is not.

American Indian Love

American Indian Love... is a movie that is supposed to be about family... but it is not. It is a movie that is supposed to be about love... but it is not. It is a movie that is supposed to be about happiness... but it is not.
