Swap Meets

We're constantly on the radio in Tijuana and Ensenada. Our Mexican customers are in love, and so do we.

Suzanne Chaney

There are two major swap meets in Tijuana: one in the Mercado de Abastos, the other in the Mercado de Abastos de la Plaza. The Mercado de Abastos is located at the corner of Avenida Revolucion and Calle 15 de Septiembre. The Mercado de Abastos de la Plaza is located at the corner of Avenida Revolucion and Calle 20 de Noviembre.

The Mercado de Abastos is a bustling market with a wide variety of goods for sale. You can find everything from clothing and household items to electronics and collectibles. The Mercado de Abastos de la Plaza is smaller and more focused on food and produce.

Both swap meets are open every Monday, Wednesday, and Friday from 8 am to 5 pm and Saturday from 8 am to 2 pm. The Mercado de Abastos is also open on Sunday from 9 am to 1 pm. You can park nearby and walk over to the swap meets.

The mercados are a great place to find bargains and unique items. You'll find everything from antiques to brand new items. It's a great way to discover hidden treasures and make new friends.

If you're looking for a unique shopping experience, the swap meets in Tijuana and Ensenada are definitely worth checking out.
