Fixing Mt. Helix

It's somewhat ironic that the subcontractor hired to provide an independent and unbiased assessment of the reservoir is presently being retained by the Golden Construction Company.

GOIN' TO LAS VEGAS...

Barbara marched to the maitre d' at Caesar's and told him we hadn't come this distance to be asked for graft.

-F I Rackow-

The blues singer Jimmy Rushing

Well, if you're having fantasies about Las Vegas, take another turn around San Diego. Not that I'm putting Las Vegas down. Anyone is entitled to a descent into a neoned hell where women dressed in mink coats sit in air conditioned Cadillaes counting nickels held in Dixie cups. It's just that Las Vegas spelled back wards means bread, and unless you have plenty of it to throw away, the

Nothing that you have done in the past prepares you for the Vegaexperience. Based and predicated or experience. Based and predicated on the clink of coins — even dollars are immediately converted from paper to silver — the town is nevertheless classless. Whether you are an illiterate or an intellectual. a person with reputation or not, your past and your future have no relevance. Only the present counts, and the gaming rooms prove the great equalizer. All are equally subject to chance, and the little old lady in the proverbial tennis little old lady in the proverbial tennis shoes who sits mesmerized before the nickel slot machine has as much or as away thousands on bac Why does one go to Las Vegas? Its cation in the middle of the desert in

The Devil Made Me Do It

READER

- Mick Garris -

A man in his early sixties sits and sweats in his overcoat in the front row he is drooling over the nude beauties indulating before him. He applaud every double entendre wildly, and every double entendre wildly, and hoots and cheers at every bump and grind. "International Star" Genie Dee parades up and down the runway, a sultry pout on her lips as she peels off her sequined clothes. The man is in

werwhelming Mr. Front Row Cente overwhelming Mr. Front Row Center, Oh. God! Here comes the G string. Genie deftly tosses it aside, reveals "his" set of male privates, and scurries demurely offstage. The gent purples in embarrassment, shrinks into the seat, and sits on his hands.

"There's your traditional raincoat crowd — God bless 'em, they're wonderful," confides Georgina Spelvin, star of The Devil in Miss Jones and about thirty other erotic films, in addition to Take It Off, a live show at San Diego's Pussycat Cabaret. "I love the dirty old men; we have more fun together. They are so aive! But it's really changing. There are a lot of young people who come primarily out of curiosity, and again a lot of young people who've gotten into porno films who are there for he theater, but they see it, go home ntly that they find it very

San Diego does not seem the likely place for the debut of Take It Off. So place for the debut of Take it Off. So why San Diego? "Hive here," answers Georgina, "and I don't like to go too far away from home to work." After a twenty two year residency in New York, Georgina left for Maine to do ummer stock, then, convinced that resulting from her thumbnail he didn't particularly care to return to puncture). she didn't particularly care to return to set forth on a pilgrimage that would eventually bring her to rest in Southern California, with a total of

Phillip II of Spain."

pensive, the transformation from well versed showperson to vamp is almost frightening. As we talk, Genie Dee

of the situation."

The situation resulted in her being cast in the title role in The Devil in Miss Jones, directed by Gerard Daniano (Deep Throat, Memories Within Miss Aggie). The film was pro-Within Miss Aggiel. The film was pro-claimed a milescope in explicit series was seen as the could act, the photography was lush, and golly! — it looked more polished than anything made for television. The sucide scene became an espected (self, almos) was the murden in feed, i almos) was the murden in I'm not sure I want to extend my

soudenly people were aking my interpolation to proprior. This means you have before 3-20 going through the changes. But when our create from making hard-core films, when the screen and the air art intention with violence. It must be the second to be company to the changes. But when our create for making hard-core films, when the screen and the air art intention with violence. It must be a second to be a seco obscene and shouldn't be on the offen order to drill oil wells and make a market." Welf, I've changed my mind to of money." And a wonderful which be fewer sex crimes if explicit sex on brook sexues I got to experience would be serven in smale available to who care wants it. instead of just the clite speed three or four months with one who can afford it, and we purport that sex for features on a ranch, another two who can afferd it; and we purport that there's nothing wrong with making hardcore films, then by the same token, violence films do perhaps drain off that violence in our nature, which we are given by God to survive."

In Devil, Ms. Spetim is revealed to the audience in the most graphic of terms her orifices are stuffed as she assumes center existing of a sandwich.

assumes center position of a sandwich, she engages in a gleeful girl-boy-girl

anything she wouldn't do for the sake of cinematic art?

"The only time I've been asked to do something that I've refused to do was when they wanted me to dive into water at the Salton Sea, in an R-rated

he an actress — I don't consider myself an actress, just a compulsive role player. Anyway, I took advantage got off on the trees, the brush, and the bugs, but when we came to a small rivulet, she really came to life. She rivulet, she reality came to life. She never looks anywhere near her age, but when she plopped into the water with a whoop, she looked and felt nineteen years old. She screamed with pleasure as the icy water licked at her flesh. For her, fantasy became reality.

> It Off is up July 14, she signed. But I'm not sure I want to extend my involvement with it." Then she grew nostalgic. "When I was young, I was never what you would consider normal. At times, I tried to be, but we moved around so much that I was allowed the latitude of trying different personalities. You know, when you go through adolescence, and you haven't decided who you're going to be yet, it's very difficult when you live in one

forks on one side and fifteen spoons on the other. I feel absolutely as at ease as a formal dinner party with forcy people as I do sitting on the floor sharing a bottle of good old Dago Red

That valuable role-playing pornos, she has appeared in such so-called legit films as Hello, Dolly, Sweet Charity, and Ocean's Eleven. But it has been the sex films that have provided her livelihood, even if they haven't swelled her coffers to over-

her panty hose ("Shit! Look at that!" she scowls, revealing the run in them artistic merit, abundant talent, and well — intellectual activity, Georgina Spelvin is well-read, witty, multi-
