PAPER CHASE

"One, process server in town lights a paper bag at the back door and yells 'Fire, fire, fire.' Another guy throws firecrackers at the door to get them out. I don't want to make my associates sound bad. They aren't. They're businessmen."

STRAIGHT FROM THE HIP

Dear Chairman:

Chairman, I'm writing to express my support for the proposed building of a new stadium for the San Diego Chargers. As a lifelong fan of the team, I believe it is crucial for the city to have a modern facility to attract visitors and maintain a strong fan base. The Chargers have been a part of San Diego's history for years, and a new stadium would provide an opportunity to create a lasting legacy for the team.

Sincerely,

[Your Name]

Dear Chairman,

I am writing to express my concern regarding the proposed building of a new stadium for the San Diego Chargers. As a resident of San Diego, I believe the city should prioritize investing in other areas, such as education and infrastructure, rather than building a stadium for a professional sports team. The cost of such a project could divert resources from other critical needs in the community.

Sincerely,

[Your Name]
