Adidas Football Special

The Spaceman Cometh

The title character, despite his unusual advantages, is in the end no match for the seductive pull of American culture.

They laughed when we stepped into our jumpsuits.

But when we jumped out!

They laughed when we stepped into our jumpsuits.

But when we jumped out!

Why pay through it for auto insurance?

prepare to be swept off your feet by our fascinating selection of negligence

Winter in August

Where Johnny's sense of direction keys on personal fulfillment, brother Edgar's inclination centers around group satisfaction.
An Overnight Legend?

- North County Health Food Center welcomed over 1000 customers in the first week it opened the doors.
- Over 500 pounds of bulk grains, seeds, nuts, dried fruits, pasta, etc. were sold from the SS self-service plastic bulk bins.
- Vitamins from the best companies were sold along with dairy from All-Dairy.
- Vegetarians, vegans, and people of all ages and persuasions were welcomed by a huge selection of quality foods and the great vibe atmosphere of the store.

An overnight legend... perhaps not... but certainly a community service!
