Strangers in the Night

He quickly turns on his car lights and the aliens fall to the ground, hoping not to be seen. Moore gets on his radio and calls in a support unit. He stops the car and gets out, looks through the scope. "There they are, directly in front of us, they look like black spots."
Silly Lily

She closed the first half of the show with Lucille W., a reformed rubber freak, who spoke in moving detail about her growing addiction, from chewing on rubber bands to eating the tip off Mother's cane.
