IF WE GO BANKRUPT WE'LL BE SWALLOWED UP BY SAN DIEGO 0

King Creon: There had to be one man who said yes. Somebody had to agree to captain the ship. She had sprung a hundred leaks; she was loaded to the waterline with crime, ignorance, poverty... No is one of your man-made words. Can you imagine a world in which trees say no to the sap? ... Animals are good, simple, tough. They move in droves, nudging one another onwards, all traveling the same road Antigone: Animals, eh, Creon! What a king you could

be if only men were animals!

-Antigone

As anyor of Ingenial Beach, Olive, says he in trying to deed be community from the compensing could do not community from the compensing could do not offer the community from the compensing for six years to face the never-needing thesat of municipal bearings, he is not of the community for the commu

Major Sties, solvered a Boy Scort out of his office. The boy had come to get the major's apprecial for a citizenship, meta badge. "That boy were a damn college flows. Now their citizenship," He six down college flows. Now their citizenship "He six down college flows. Soon their citizenship." He six down college flows. Soon their citizenship. The six down college flows. Now their citizenship "Lie will be considered to the college flows and the college flows of the college flows and the college flows and the citizenship and their citizenship and

beard that the teacher values were bagger out here, on the part of the part of

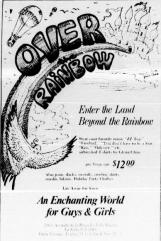

So the battle line is drawn. On one side are the people like Bert Stites who believe that the only way to save the small town is to sell is, slowly perhaps at first, but ultimately to outside interests, big comporation. The people like Stites hope to organize and plan for the invasion now, in order to have a degree of control over what is built, rather than we then town turn into a over what is built, rather than we then two n turn into

conservatives and humanists who want life to remain within airman proportion. Whether this mixture can maintain a solid front is yet to be seen.

"One of them is Sid Robbins," ways Gage, "whose outlands bd ream is to build a three-livered contrate contratytion along the beachtfront. The top tier would be a highway connected to the San Diego freeway.
