EYESEE MOTION

Pacific Stereo’s SALE

Next week the stereo manufacturers unveil their latest models at the Consumer Electronics Show. And our job is to get you a little ahead of the game. We've taken a look at the new products and have selected the ones that will save you money on the latest and least equipment. Because we know you love your hi-fi and your equipment.

Make Your Own Kind of Music
Psychoanalysis strikes many residents as a great opportunity to grow a beard and comment on everything.
