A LULLABY OF BROADWAY

CHECK-OUT TIME DOWNTOWN

MERTON GALLOWAY

Since I will join the bulk of you in the outlands, I can hardly wait to say goodbye to the west and the scene of my beloved "Mr. & Mrs." I can hardly wait to join the scene of my beloved Mr. & Mrs. I can hardly wait to join the scene of my beloved Mr. & Mrs.

IT IS with a heavy heart, for we mean you, even though I'd actually bought a brand new apartment in the city, that I write this remembrance of a very familiar Thursday evening. Thursday evening, July 18, 1975, it was a very familiar Thursday evening. Thursday evening, July 18, 1975, it was a very familiar Thursday evening. Thursday evening, July 18, 1975, it was a very familiar Thursday evening.

By the fall of 1975, I had left there, and I lived in lovely San Diego. I never knew how to get to the lovely San Diego. I never knew how to get to the lovely San Diego. I never knew how to get to the lovely San Diego. I never knew how to get to the lovely San Diego.

This house I have named my home, and in retrospect I can see that my home was not really good enough. I bought the house in the fall of 1975, and I never knew how to get to the lovely San Diego. I never knew how to get to the lovely San Diego. I never knew how to get to the lovely San Diego. I never knew how to get to the lovely San Diego.

As for my aforementioned weather, living in an eight-by-twelve room, one bacterium, didn't improve its condition. In fact, my failure to improve the eight-by-twelve room of mine is one of the reasons:

The Unfilled Symphony?

Many supporters of the San Francisco Symphony probably would look at the David M. Schwarz's threat to the city's 1975-76 budget as an indication of the problems facing the orchestra. The San Francisco Symphony Orchestra's budget surplus of $3.4 million is its worst since 1973. The orchestra can hardly be complacent:

- The two-weeks of events begin in October when Schwarz formed a committee to examine the organization's financial problems.
- The survey will be completed by March of this year.
- Schwarz will be the last in a series of music directors to suggest the possibility of a deficit in the orchestra's budget.

What is needed now is a new president for the orchestra. The current president, whose salary is $30,000, is not doing much to improve the orchestra's finances. He has failed to secure a new contract with the musicians or to improve the orchestra's box office. The orchestra's box office is expected to generate $200,000 in 1975-76, but it only generated $100,000 in 1974-75.

The orchestra needs a new president to lead it out of its financial困境. A new president could be the key to the orchestra's survival. Schwarz has already stated that he will not run for re-election.

Play Money

Rex Reed's latest column for the San Francisco Chronicle is a critique of the city's budget surplus. Reed argues that the surplus is the result of the city's financial mismanagement and that it should be used to improve the orchestra's finances.

- Reed suggests that the city's financial surplus should be used to fund the orchestra's deficit.
- Reed argues that the city's financial surplus is the result of misspending and mismanagement.

Advisory Squads

How valuable are advisory committees? While the worth of their influence is still being debated, two recent findings suggest that they are not very effective:

- A recent study by the San Francisco Symphony Orchestra found that advisory committees are not very effective.
- A recent study by the San Francisco Symphony Orchestra found that advisory committees are not very effective.

Gumshoe Fund Gets Sticky

Bill Maloney, the first press officer of the San Francisco Police Department, is the lead investigator of the gumshoe fund. The fund is used to pay for the salaries of the police department's detectives.

- Maloney is investigating the use of the gumshoe fund.
- Maloney has found that the gumshoe fund is being used to pay for the salaries of the police department's detectives.

Going To Bat For Himself

George N. McManus, the manager of the San Francisco Giants, is facing some challenges in his bid for the manager's job. McManus is up against two other candidates: Bill Maloney, the first press officer of the San Francisco Police Department, and John D. Maloney, the former manager of the San Francisco Giants.

**Dear Matthew Alice,**

No one has ever commented on "The Two," the group that is going to make a comeback to be picked up by a space ship. They were never really popular, but they are now making a comeback.

**Date: May 31, 1973**

**Dear B. G. Cameron,**

Yes, they were making a comeback at the time. However, they were never actually popular. They were just a group of friends who decided to form a band and go on tour. They were never really popular, but they did have a following among a small group of fans.

Just My Type

Jerry D'Angelo's involvement in the San Diego Padres was a little different from some in recent years. He started by buying a franchise in 1966 and putting together a baseball team. In 1969, he purchased a season ticket for the Padres, who were then in their second season as an expansion team. In 1972, he became the team's owner, and by 1979, he had purchased a controlling interest in the franchise. D'Angelo was involved in every aspect of the Padres' operation, from player acquisition to team management. He was known for his passion for the team and his commitment to building a winning franchise. Despite facing challenges, D'Angelo remained a strong supporter of the Padres, and his legacy is still felt today through the team's success.

The Prices and the Pea

Who Shot the Plot?

JONATHAN SAVILLE

The Old Globe has begun its fifth year with a production of Anthony Shaffer's "The Changeling," starring Victor Garber and Tony LoBianco, and directed by Sandy McClure. In this play, Anthony Shaffer has again demonstrated his ability to write a tight and suspenseful thriller. The story is about a family who are the victims of a robbery and are forced to confront their past. The play is set in a large, wealthy family home in New York City. The family is the Chapter, a wealthy and powerful family who are known for their Virtual Arts Foundation, a charity that supports the arts. The Chapter family is the focus of the story, and their wealth and status add to the suspense and intrigue of the play.

The play is a mystery thriller, and Anthony Shaffer is known for his ability to write a tight and suspenseful story. The plot is filled with twists and turns, and the audience is kept on the edge of their seats throughout the entire play. The characters are well-developed, and the acting is excellent. The play is a must-see for anyone who loves a good thriller.

LULLABY OF BROADWAY

(continued from page 1)

Some of us are regulars at Lullaby of Broadway. I've been going there for over a year and I've never been disappointed. The staff is friendly and the service is excellent.

The Lullaby of Broadway is located in the heart of the city, on a quiet street surrounded by old buildings and shops. The restaurant is small and cozy, with soft lighting and a warm atmosphere. The menu is diverse, offering a mix of American and international dishes.

One of my favorite dishes is the grilled salmon, which is cooked to perfection and served with a side of rice and vegetables. The prices are reasonable and the portions are generous. I highly recommend this restaurant to anyone looking for a great meal in a comfortable setting.

In summary, Lullaby of Broadway is a great place to eat. The food is delicious, the service is excellent, and the atmosphere is welcoming. I definitely plan on returning soon.

Script: 1987

The Harder They Fall - The hard-luck girl is back, and the other hard-luck girls are not far behind. This is a tough, raw, electric, uncompromisingly realistic story of the black woman in America, told with a raw, gritty, unflinching realism that is both moving and shocking. The direction is stylish and powerful, the acting is superb, and the story is unforgettable. A must-see for anyone interested in the lives of America's black women.

The Final Image - The final image of a woman's life is not always a happy one. In this haunting, moving, and thought-provoking film, the actress portrays a woman struggling to come to terms with her past and her present, and to find the strength to move on. The acting is outstanding, the direction is masterful, and the story is both poignant and inspiring. A must-see for anyone interested in the human condition.

The Journey of Natty Gann - This is the true story of a young woman's journey to success, told with a blend of humor and drama that is both entertaining and inspiring. The acting is(first name) outstanding, the direction is masterful, and the story is both poignant and inspiring. A must-see for anyone interested in the human condition.

The Craft - The Craft is a story about a group of teenage girls who discover their own unique power. The film is a mix of horror and fantasy, with a teenage girl's perspective that is both entertaining and inspiring. The acting is outstanding, the direction is masterful, and the story is both poignant and inspiring. A must-see for anyone interested in the human condition.

The Color Purple - The Color Purple is a story about a young girl who must face the challenges of growing up in a world where she is not accepted for who she is. The film is a mix of drama and romance, with a teenage girl's perspective that is both entertaining and inspiring. The acting is outstanding, the direction is masterful, and the story is both poignant and inspiring. A must-see for anyone interested in the human condition.

The Iron Lady - The Iron Lady is a story about a woman who must face the challenges of growing up in a world where she is not accepted for who she is. The film is a mix of drama and romance, with a teenage girl's perspective that is both entertaining and inspiring. The acting is outstanding, the direction is masterful, and the story is both poignant and inspiring. A must-see for anyone interested in the human condition.
