Florence Nightingale Meets Joe Hill

While Florence Nightingale is often remembered for her work in the Crimean War, she was also a proponent of improving hospital conditions and patient care. Joe Hill, a labor organizer and folk singer, was known for his advocacy for workers' rights and against capitalist exploitation. The idea of combining these two figures symbolizes the ongoing struggle for better working conditions and social justice.

WHAT'S SO UNUSUAL ABOUT THIS DISCOUNT PLACE IS THAT WE GIVE YOU A SMILE WITH YOUR 30%-60% OFF.

Now you can buy your favorite Name Sportswear and Dresses for 30% to 60% off.

Normally, if you get behind the hallowed walls of a discount house, you save money, but you lose your pride.

If there's someplace
to "try it on", it's usually behind a packing crate.

And if you're lucky enough to find something that fits, they take cash only and they grunt as you leave.

Now you can save up to 60% (more than almost any discount house), try everything on in
dressy clean private dressing rooms, and get a courteous thank you. Whether you buy or not.

We sell famous brand-name overruns, designer samples, closeouts and seconds from first-class makers. We have them in Missy, Junior, and Girl's sizes (Men's sizes, too). And we save you up to 60%.

We're able to save you so much because our buyers are ruthless—but they pay cash and they too smile as they're cutting prices to ribbons.

So now you can get it for 30-60% off without taking any cut-rate rudeness.

Mr. Jello Will See You Now

ELIZABETH WINTER

Wednesday, October 13, 1976

In speaking to various people who have known Jello Witmer for about three decades, I was told that he is "the Jello here.

He's known as the Jello Man because he's been a guide for the Jello B.lo

nightly at the Twin Pines Hotel in Bakersfield, California.

Mr. Jello is a local favorite, known for his warm and inviting性格. He has been a guide for over 30 years and enjoys interacting with guests from all over the world.

When you enter the restaurant, you are greeted by Mr. Jello himself, who is always ready to welcome you with a smile and a friendly greeting.

He has a reputation for being knowledgeable about the menu and is always eager to recommend his favorite dishes to guests.

The restaurant itself is a cozy and welcoming place, with soft lighting and comfortable seating. The menu features a variety of dishes, including traditional American fare and international options.

The Jello Man is a beloved figure in the community and is always happy to share stories about the history of the restaurant and its connection to the local community.

In addition to his duties as a guide, Mr. Jello is also involved in various community events and activities, including charity fundraisers and local festivals.

Overall, the Jello Man is a beloved figure in the community and is an essential part of the local culture. His warm and welcoming personality makes him a beloved figure among guests and staff alike.

"Jello, Jello, Jello,

You make my heart jump with joy.

I love the Jello Man,

He makes my day with his smile and his care.

From the moment I step inside,

I feel at home and at ease.

He's always there to guide me,

Through the menu and the choices.

His knowledge is unmatched,

And his passion is unwavering.

I'll never forget the Jello Man,

He's a true gem in this world.

Thank you for being you,

Jello, Jello, Jello.

You bring joy to all.
