The Quiet Search For P.I. Barnum

Comedian Don Rickles has admitted to being attracted to the role of P. T. Barnum, but isn't sure if he's right for the part. "I don't think I'd be good at the part, but I'd love to do it," he said. "I think it would be a great role for me." 

Rickles, who has a long history of playing the part of a performer, says he's been thinking about doing the role for a while. "I've always loved Barnum," he said. "I think he was a great performer, and I think I could bring a lot to the role." 

Rickles' previous roles have included a variety of characters, from a talk show host to a fitness guru. "I think I could bring a lot of energy to the role," he said. "I think I could bring a lot of enthusiasm." 

Rickles' agent said that while the actor is interested in the role, he's not sure if he'll be able to commit to the project. "Don's very busy," the agent said. "He's got a lot on his plate." 

Rickles' fans have been eagerly awaiting news of the movie, and are excited about the possibility of seeing him in the role. "I think it would be great," said one fan. "I've always loved Don's work." 

But some fans are concerned that Rickles may not be the right choice for the role. "I don't think he's the right fit," said another fan. "I think the role would be better suited to a more serious actor." 

In any case, the project is still in the early stages, and it's unclear when it might be released. "We're still in the planning stages," said the agent. "We'll let you know when we have more information." 

--

OB Manifesto

Carey, a city council candidate, has expressed her support for the OB Manifesto, a platform that calls for greater transparency and accountability in local government. "I think it's important that we have a system in place to ensure that our elected officials are being held accountable," she said. "I support the OB Manifesto because it aligns with my values of transparency and accountability." 

Carey's campaign has been focused on issues such as affordable housing and public safety. "I think these are important issues that need to be addressed," she said. "I believe that by working together, we can make OB a better place to live." 

Carey's support for the OB Manifesto is not surprising, as the platform has gained support from a variety of local organizations and individuals. "I think the OB Manifesto is a great platform," said one supporter. "I hope Carey will be able to bring this platform to the forefront of her campaign." 

Carey's campaign is still in the early stages, and it's unclear how she will fare in the upcoming election. "We'll see how the campaign goes," she said. "I think it's important to stay positive and work hard."

Bob Takes A Spin

When asked about the recent controversy surrounding his personal life, Bob said: "I'm feeling good. I've been working hard on my personal life and I'm feeling good about it. I'm looking forward to getting back to work." 

Bob recently announced that he would be taking a break from his public appearances to focus on his personal life. "I've been dealing with some personal issues," he said. "I think it's important for me to take some time to work on these issues before I get back to work." 

Bob's recent actions have been met with mixed reactions. Some have praised him for taking the time to work on his personal life, while others have criticized him for not taking his public duties seriously. "I think it's important for public figures to take their responsibilities seriously," said one critic. "I'm concerned that Bob is not taking his duties seriously." 

Bob has not commented on the controversy surrounding his actions. "I'm not going to comment on the controversy," he said. "I'm focusing on my personal life and I'm feeling good about it."

PACIFIC STEREO's Gift Idea Tree

Closed Thanksgiving Day Open Friday & Saturday. The nation’s largest dealer of name brand stereo components.

Straight from the Hip

Matthew Alice

Dear Mr. [Name],

I was on a flight out of Lindbergh Field, and the pilot gave a very interesting commentary on the runway. He described the experience as a "special" one, and shared insights into the role of the pilot's voice and the importance of clear communication during takeoff. He mentioned that the runway lights at Lindbergh Field were visible from the passenger perspective, and described the experience of being able to see the path ahead. The pilot also spoke about the importance of clear communication with the ground crew and the need to maintain a calm and professional demeanor throughout the flight.

Sincerely,

[Name]
**Park There, Pay Here**

He is rich. He owns a car, a nice one. He drives it to work, to the store, to his doctor's office. He is a success. He has it all. He doesn't need a parking space. He doesn't need to pay for parking. He is immune to the pain of parking.

But what if he lost his job? What if he lost his house? What if he lost his health? What if he lost his car? What if he lost his parking space? He would be lost. He would be with the rest of us, the common folk, who have to pay for parking. We are the ones who are affected by these decisions. We are the ones who are affected by the pain of parking.

BILJEN

Drew Lemon's lover and ex-wife, Lemon's former wife, Lila, is dead and her death is the focus of the story. Lemon is in a state of shock and grief, struggling to make sense of what has happened.

The story begins with Lemon learning of Lila's death and the circumstances surrounding it. Lemon is portrayed as a woman who is deeply affected by the loss of her loved one and is struggling to come to terms with her feelings.

The narrative follows Lemon as she navigates the aftermath of Lila's death, dealing with questions of guilt, responsibility, and the consequences of their past relationship.

Throughout the story, Lemon grapples with her own emotions, relationships, and experiences, all of which are intertwined with the events of Lila's death.

In the end, Lemon must confront the harsh reality of her past and the impact it has on her present, learning to let go and move forward with a sense of closure and understanding.
Mailer on Gilmore

FRED MURAMARCO

For the past week or so I had been hazards to the nearby pedestrian. The same thing was happening to the Gilmore. The public image of Gilmore may have been the subject of considerable criticism, but I think it makes for a very interesting read. There are, however, some passages that are not very accessible to the lay reader. In other words, the book is not for the general reader. For the academic, though, it is a very valuable contribution. The book is well written and the author is clearly a master of the genre. I would highly recommend it to anyone interested in the subject.

There are high-class readers and arthouse classics, and Gilmore is no exception. The book is well written and the author is clearly a master of the genre. I would highly recommend it to anyone interested in the subject.

The novel's theme is the exploration of the Gilmore's life and death. The story is told through the eyes of a young man who grew up with the Gilmore and who is now trying to make sense of the events that have shaped his life. The novel is set in a small town in the Midwest, where the Gilmore was born and raised. The author uses this setting to create a sense of place and to provide a backdrop for the story.

The novel is divided into two parts. The first part, which covers the Gilmore's early years, is a review of the Gilmore's life and death. The second part, which covers the Gilmore's later years, is a review of the Gilmore's life and death.

The novel is well written and the author is clearly a master of the genre. I would highly recommend it to anyone interested in the subject.

I'll Take My Strindberg Straight

CHRISTOPHER SCHNIDER

Swedish playwright and novelist August Strindberg, who is one of the most celebrated in the Far East, is playing in the Tel Aviv Opera House in the coming months. His work is a major part of the repertoire of the Swedish Opera, and his plays are performed all over the world. Strindberg is known for his role as a social satirist, and his works are often seen as reflections of the society of his time. His plays are characterized by a strong interest in the human condition, and his themes often revolve around the struggles of the individual against the forces of society. Strindberg's plays are often praised for their psychological depth and their ability to capture the complexities of human relationships. His works include "A Dream Play," "The Father," and "Miss Julie." These plays, along with his other works, have had a significant impact on the development of modern drama and continue to be performed and studied today.

Cello Solo Duo

daughter of the great Russian composer, the first solo duo, in concert tonight, at 8 PM, at the Music Hall. The concert will feature works by Tchaikovsky, Beethoven, and Debussy. The cello soloist is a rising star in the classical music world, and her playing is highly praised for its technical precision and emotional depth. The accompanist, a well-known pianist, is known for his ability to bring out the full potential of the cello and to create a seamless musical dialogue between the two instruments. The concert promises to be a memorable evening of music, and tickets are available at the box office.

THE READER PUZZLE

No. 83 The Game

By Don Rubin

Christmas, for those of you who are free to shop in peace, is a wonderful time to load up on new treasures, to learn how you can do it well. How you can do it well is the subject of this column. How you can do it well is the subject of this column. It's all about... (I know we all want to know about the game.)

First, let us take a look at the categories of the game, if you will. The game is divided into three parts: the book, the press, and the game. The book is divided into three parts: A, B, and C. The press is divided into three parts: A, B, and C. The game is divided into three parts: A, B, and C.

For you who are interested in the game, you may want to know the rules of the game. The rules of the game are as follows:

1. The rules of the game are set by the book, the press, or the game as the case may be.

2. The rules of the game are set by the book, the press, or the game as the case may be.

3. The rules of the game are set by the book, the press, or the game as the case may be.

4. All answers must be sent to the Reader Puzzle, 303 Colorado Ave., Santa Monica, Ca. 90401 within 120 hours after the posting of the puzzle. Answers must be sent to the Reader Puzzle, 303 Colorado Ave., Santa Monica, Ca. 90401 within 120 hours after the posting of the puzzle.
