City Lights

A Bit Of Stage Business

Now that the raking of the Old Globe Theatre is completed, it's time for the Globe Stage to be built. Gerald Sizemore, designer for the construction of the Globe Stage, has been busy turning plans into reality. The Globe Stage was designed by Edward Asner of Asner & Associates, and the construction is being handled by the San Diego Music Theatre Group. The stage is scheduled to be completed in time for the opening of the 1977-78 season.

Hello, Is Someone With Money, G Clint, Or Prestige There?

The City Lights is a new play that opened last night at the La Jolla Playhouse. The play is about a group of people who have come to La Jolla to do business and they become involved in a series of events that lead to a showdown. The play is directed by Peter Stone and stars Mary Tyler Moore, Jack Lemmon, and Richard Dreyfuss. The production is being presented by the La Jolla Playhouse in association with the producers of "The Odd Couple." The play runs through April 16.

Your Mother Is A Necessity

Tomorrow night a benefit for the Open Book Theatre will be held. The benefit will feature a reading of the play "Your Mother Is A Necessity" by David Mamet. The proceeds from the reading will go to the Open Book Theatre, which is a new theatre company dedicated to producing new works by contemporary playwrights. The reading will be directed by James Lapine and will star Annette Bening, John Lithgow, and Anthony Crivello. The benefit will begin at 8:00 pm at the La Jolla Playhouse and admission is $15 per person.
