ACTING COMPANY IN KABUKI MACBETH

Shozo Sato's Kabuki Macbeth is a spectacular blend of two distinct theatrical traditions. Using Shakespeare's themes and characters, the Elizabethan text has been abbreviated to accommodate the classical Japanese elements of stylized gesture, ritual dance, make-up and puppetry. This production is a stunning display of theatrical values reflecting the richness of Shakespeare's language.

staged for a banquet of some sort, but no more is known about the occasion. It's interesting to note that, among the hearty and exotic loaves in the photograph, the one apparently chosen as most representative of the American restaurant is a loaf of Wonder Bread, carried by the woman on the left dressed as a waitress. The "nurse" at the right carries a loaf of Angelfood Bread, and the "cowgirl" has what appear to be boxes of crackers in her basket.
