SAN DIEGO'S WEEKLY

Hell at the Hot Springs

If you want to sue Cal Rossi, you'll have to wait in line

F

Friday, June 11, 1999, was the quietest day in the history of the Hot Springs. Almost 90 percent of the employees had already left the resort and the management was disappointed. But there was still a lot of work to be done. The management was determined to stay open despite the bad publicity.

One of the employees, a young woman named Mary, was walking through the resort when she noticed a group of teenagers gathering near the pool. She approached them and asked if they needed help with anything.

"No, we just wanted to talk," one of the teenagers replied.

Mary was concerned about the situation and offered to help them. She explained that the management was trying to improve the resort and that they needed everyone's support.

The teenagers listened to her and then left. Mary felt good about the experience. She realized that the Hot Springs was more than just a place for people to relax. It was a community where everyone was welcome.

To improve the resort, the management had planned to hire more staff and upgrade the facilities. They knew that it would take time, but they were committed to making the Hot Springs a better place for everyone.

"We're going to make this place great again," Mary said to herself as she walked back to her work area.

The following week, the management hired more staff and added new amenities to the resort. The Hot Springs began to change and people started coming back. Mary was happy to see the positive changes.

"I feel good about my job," Mary said to herself as she put on her uniform and walked into the resort. She knew that the Hot Springs was on the right track to become a better place for everyone.
Fingers Broke
by MATT MONTGOMERY
But 'Fingers' is the brake.

The case of 'Young Mean' Roderick, who was busted for stealing a four-wheelers and a .22-caliber rifle, is another one of the countless cases that could be traced to the finger of fate. In 1979, Roderick was sentenced to two years in prison for a crime he didn't commit. Now, at the age of 40, he is living in a trailer park with his wife and two children. The police say he is not a threat to society.

After departing the hotel of baseball, Fingers, sponsored by the Whites, went on a hospitalization spree. His name is on the list of players, but his status is unknown. The team's official website says he is listed as "on medical leave." His condition is unknown. The team has not released any information about his injury.

The team says Fingers is "on medical leave," but a source close to the team says he has been discharged and will return to the team soon. The source says Fingers is "on medical leave" because he has been hospitalized.

The team's official website says Fingers is listed as "on medical leave," but a source close to the team says he has been discharged and will return to the team soon. The source says Fingers is "on medical leave" because he has been hospitalized.

STRAIGHT FROM THE HIP
by Matthew Alice

Dear Matthew Alice,

I am puzzled over the course of traffic-light malfunction at the intersection of Sixth and
main. I don't know if I should blame the
safety inspectors, the city, or what. It
seems to me that the traffic light at
Sixth and main is malfunctioning.

Sincerely,

Robert Bass

Dear Robert Bass,

I'm sorry to hear that the traffic light at Sixth and main is malfunctioning. It's
important to ensure that traffic lights work properly to maintain safety for all
drivers and pedestrians. I recommend contacting the city's transportation
department to report the issue and schedule an inspection. In the meantime,
please be extra cautious when driving in the area.

Sincerely,

Matthew Alice

---

If your household income is at least $25,000 a
year... you could own this BMW 325i today!

It can now cost more to drive an imitation BMW than a BMW.

For years, auto makers have been unleashing hordes of sporty-looking cars
that claim to perform "like a BMW." What's a bit puzzling about the current
crop is that many of these imitations now cost as much if not more than the
original. Fortunately, there's an easy way to distinguish between the two.
It's called driving.

Come into BMW of San Diego and test drive the 325i today.
See how affordable owning a BMW can be.
**MAY DAY — MAY DAY**

WE NEED HELP!!! We have a huge order of 1989 Univega, Sterling & Peugeot bicycles coming next week and we don't have enough room to receive them. We've cut prices to the bone on remaining '88 models and we have special prices on in-stock '89 models to move big numbers FAST! Examples...

**'88 UNIVEGA ALPINA SPORT**
Trubettled cro-mo. XCDDrum. Reg. $3999
NOW $4299

JUST $4499

WE HAVE PUMPS, RACKS, BAGS, CLOTHING CALORE AND MORE SLASHED, TOO!!!
SO — PUT A PACKAGE TOGETHER FOR YOUR BEST DEAL!!
The Biggest Kick

Kenpo Kid takes on the champ

The challenge came his way almost annually, and this time was no different. After a year of training and preparing, he was ready to take on the best in the world. His name was Ken, and he was the Kenpo Kid. He faced off against the champion of champions, a man known for his ruthless fighting style. But Ken was not a novice. He had been studying Kenpo for years, and he was determined to prove himself.

Kenpo is a style of martial arts that originated in Japan but was later brought to the United States by Gichin Funakoshi. It is a blend of striking, grappling, and weaponry, and it is known for its intensity and aggression. Ken had been studying it for years, and he was ready to put his skills to the test.

The match was set for a stadium in Japan, and the atmosphere was electric. The crowd was cheering, and the tension was palpable. As the two opponents stepped into the ring, the air was thick with anticipation. Ken knew he had to be at his best, and he was ready.

With a hearty roar, the bell rang, and the fight was on. Ken used his speed and agility to evade his opponent's strikes, landing his own with devastating force. The champion tried to keep up, but Ken was too quick and too strong. He knew the key to victory was to stay focused and never let his guard down.

In the end, it was Ken who emerged victorious. He had proven that he was one of the best in the world, and his name was now known throughout the martial arts community. He had accomplished his goal, and he was ready to take on the next challenge.

The Kenpo Kid had come out on top, and he knew he could do it again. The world was waiting to see what he would do next.
Hot Springs

Hot Springs (continued)

The man is called Rod Rose. His work is to take care of the horses, to keep them healthy and happy. He also takes care of the donkeys, which are very important to the community. They work together to plow the fields and pull the carts. Rod is a good man, always kind and helpful.

The Absolute

It is outrageous that such a magnificent play should end with such an incompetent mishmash.

Perhaps not, perhaps it is, where Pinter's "direction" plan was to make the audience think a little more about the various social and political issues that are raised in the play. Pinter's "direction" is often criticized for being too subtle, too obscure, too "patterning" the audience into thinking about the implications of the various characters' actions. This might be true, but it also seems to suggest that the audience is not capable of making sense out of the various social and political issues that are raised in the play. Perhaps the problem is not with the audience, but with the play itself.

The play is too complex, too "patterning" the audience into thinking about the implications of the various characters' actions. Perhaps the problem is not with the audience, but with the play itself.

It is difficult to say whether the audience is capable of making sense out of the various social and political issues that are raised in the play. Perhaps the problem is not with the audience, but with the play itself.

Trouble in Abundance

BY JEFF SMITH

Aunt Hazel was a very kind and thoughtful woman, always willing to help others in need. One day, she received a letter from a relative who was facing a difficult time. Aunt Hazel was moved to tears by the letter and decided to help the relative in any way she could. She gathered a group of friends and family to contribute whatever they could to alleviate the relative's situation.

Meanwhile, in a nearby town, a young student named Sarah was struggling to make ends meet. She had recently lost her job and was unable to pay her rent. One day, she received a phone call from Aunt Hazel, who asked if she could help in any way. Sarah was overjoyed and agreed to let Aunt Hazel know if she could offer any assistance.

Aunt Hazel continued to coordinate efforts to assist the relative and Sarah, while Sarah's situation improved, Aunt Hazel realized she had not received any updates from her relative. She became worried and decided to visit the relative to see if everything was okay.

Upon arriving, Aunt Hazel was relieved to see that the relative was doing well. However, she was surprised to learn that the relative had received a large inheritance and was no longer in need of assistance. Aunt Hazel felt embarrassed and relieved at the same time.

Sarah, who had been following the situation, was touched by Aunt Hazel's kindness and generosity. She expressed her gratitude to Aunt Hazel and invited her to a celebration where she could share her good fortune with others.

The celebration was a success, and many people were inspired by the story of Sarah's success and Aunt Hazel's generosity. Aunt Hazel realized that sometimes, even when help is not needed, it can still be given with love and care.
OF BITE AND BUBBLE  

BY ELEANOR WIDNER
The Restaurant: Cali Champagne at the Culinary Institute of America, 1160 Milton Road, Bardwell, Rensselaer County, N.Y. 12188. Phone: 518-271-8222.

An oreo cookie is not to be underestimated. Nor is a glass of champagne. So don't be surprised if, when you visit the new Cali Champagne in the heart of the Culinary Institute, you are greeted by a doughnut and a glass of bubbly. But the Cali Champagne is more than just a doughnut and a drink. It's a place where you can savor the flavors of American cuisine in a setting that's both elegant and relaxing.

The doughnut, a classic American dessert, is served fresh from the oven, just the way you like it. And the champagne, imported from France, is served chilled, just the way you like it. Together, they create a perfect pairing that's sure to delight your senses.

But Cali Champagne is more than just a doughnut and a drink. It's a place where you can savor the flavors of American cuisine in a setting that's both elegant and relaxing. The menu features a variety of dishes, from starters like the classic caesar salad to entrees like the new york strip steak.

And don't forget the dessert. The Cali Champagne offers a wide variety of desserts, from classics like the cheesecake to unique creations like the chocolate mousse. And all of them are served with a side of champagne, just the way you like it.

So why not treat yourself to a visit to Cali Champagne? It's sure to be a memorable experience. And don't forget to bring your own doughnut and champagne. After all, it's all about the flavors of American cuisine.

LOOK BACK AND LISTEN

BY JOHN D. AGOSTINO
The name is familiar to everyone. The face is instantly recognizable. But the impact of a name like John D. Agostino goes far beyond what you might expect. For those who know him, he's not just a name. He's a legend.

John D. Agostino has been in the music business for over 50 years, but his impact on the industry is felt far beyond his lifetime. He's a man who has dedicated his life to the pursuit of excellence, and his legacy continues to inspire others to do the same.

But what makes Agostino so special? It's not just his talent as a performer. It's his ability to connect with people on a personal level, to make them feel like they're part of something bigger.

And that's what makes his music so timeless. It speaks to the human spirit, to the shared experiences that we all have. Whether you're from the city or the countryside, you can find a piece of yourself in his music.

So the next time you hear the name John D. Agostino, remember that he's not just a name. He's a legend. And his music will continue to inspire for generations to come.
The Unwhole Story (Cont.)

A story from the previous installment, the reader should be aware of the setting and context before proceeding. The text begins with the protagonist contemplating their actions and the consequences of their decisions. The narrative unfolds through a series of events, each one contributing to the overall theme of the story. The protagonist faces internal conflicts, external challenges, and must make difficult choices that affect not only their personal life but also those around them. The story explores themes of love, betrayal, and redemption, with each chapter building on the previous one to create a sense of anticipation and suspense.

QUARTER NOTES
BY JACOB SAUVILE

Reasons to give on Mother's Day

1. It's the one day of the year when you don't have to worry about what to give your mom. There are no rules, no guidelines. People will be happy to receive anything you give them, even if it's not what they really wanted.

2. It's the one day of the year when you can really show your mom how much you care. You can give her anything she wants, even if it's not what you really wanted.

3. It's the one day of the year when you can really show your mom how much you appreciate her. You can give her anything she wants, even if it's not what you really wanted.

4. It's the one day of the year when you can really show your mom how much you love her. You can give her anything she wants, even if it's not what you really wanted.

5. It's the one day of the year when you can really show your mom how much you respect her. You can give her anything she wants, even if it's not what you really wanted.

A Good Therapist Is Hard To Find

Affairs for National Health provide the following suggestions for finding a good therapist:

1. Personal referral from a trusted friend or family member.

2. Research the qualifications of the therapist. Make sure they have a valid license or certification.

3. Contact the therapist to schedule an initial consultation.

4. Ask about the therapist's specific areas of expertise and experience.

5. Consider the therapist's experience with your specific issue or problem.

6. Consider the therapist's availability and location.

Just These Two

Dear Sirs:

It is with great pleasure that I am able to provide you with the following information about the sale of a property located at 123 Main St, Anytown, USA.

The property is a beautiful Victorian style home built in 1900. It features four bedrooms, three bathrooms, and a large backyard with mature trees. The interior includes hardwood floors, a fireplace, and a modern kitchen with stainless steel appliances.

The current owners are looking for a serious buyer and are willing to negotiate the price. They are open to offers above $500,000.

Please contact me at (123) 456-7890 for more information or to arrange a private showing.

Sincerely,

[Your Name]

Beyond Bon Jovi

The "O'Neal" saga has taken a new twist with the recent release of the album "The Unplugged Journey." This album includes a number of acoustic versions of the band's most popular songs.

The album was recorded in a small church in the town of Railtown and features the original members of the band along with a few special guests. The acoustic versions of the songs give listeners a new perspective on the music and allow them to appreciate the band's talent even more.

The album has received critical acclaim and is currently topping the charts. It is available for purchase at most major retailers.

Have an Onion

A new restaurant, "The Onion," has opened in the heart of downtown. It offers a unique menu that combines traditional flavors with modern techniques.

The restaurant is located at 456 Main St, Anytown, USA, and is open daily from 11am to 11pm. They offer a variety of dishes, including vegetarian options and gluten-free selections.

Stop by and try their signature dish, "The Great Onion Burger." It's a must-try for anyone visiting the area.

A Real Lulu

Much hoopla has been made over the recent publishing of a new book by 70s rock star Lulu. "The Autobiography of a Rock Star" is a candid look at her life in the行业, from early days as a member of the band "The Kinks" to her solo career.

Lulu has shared stories of fame, personal struggles, and her unique perspective on the music industry. The book is available now at bookstores everywhere.

Thorne and ink

"Thorne and Ink" is a new literary magazine that focuses on emerging writers. Its first issue features contributions from up-and-coming authors from around the country.

The magazine is published quarterly and is available for purchase at local bookstores. It's a great way to discover new voices in literature.

I hope this information is helpful. Let me know if you have any other questions.

Sincerely,

[Your Name]

EVENTS THEATER
MUSIC & FILM

FIRE UP THE FOOGO BEAK

Monsters abound, as always, at the Campus Theatre tonight with the screening of "Evil," starring Vincent Price as the ultimate evil monster. The film is a classic horror movie that has captivated audiences for decades. Don't miss out on this opportunity to experience the thrill of the unknown.

SWEET ONIONS

It's not just about onions in this month's Sweetie Shoppe. We have a wide variety of sweet treats to choose from, including our signature onion soup. Let us help you satisfy your cravings.

THE BATTLE

Tomorrow, at the Theatre of the Americas, the battle of Puebla will be re-enacted. Don't miss this opportunity to witness the history of Mexico and celebrate their independence.

WINGS OF VICTORY

The Bird of Paradise, America's first fighter plane, was introduced in 1917. Join us as we commemorate the anniversary of this historic event.

LET'S EAT, MELANIE

Join us for a delicious meal at Mel's Diner. We offer a variety of dishes, including our famous chicken and waffles. Come and enjoy a taste of Americana.

Grand Opening
Mandarin Cove

Fine Chinese restaurant with elegant ambiance
You are invited to the Grand Opening of
Mandarin Cove—
La Jolla's newest and most unique Chinese restaurant specializing in Mandarin & Szechuan Cuisines such as
Sweet & Spicy Shrimp, Crispy Hoi Fun Beef
and Peking Duck prepared to order by our super chef from Hong Kong.

Our chef will satisfy your cravings with 100% fresh ingredients.
We also offer live potted sea urchin and delicious seafood.

Our regular lunch entrees from $4.50 to $11.

FREE DINNER GRAND OPENING SPECIAL
Buy one dinner at the regular price and get the second dinner free of equal or lesser value absolutely FREE

Free dinner special subject to availability. Please note that all diners must purchase a la carte entrée.
