Under the Knife

A graphic glimpse of gallbladder surgery

Story by Mary Long
Illustrations by Janet Taylor
THINKING ABOUT GETTING AN AIDS TEST?

It’s worth thinking about. More than 5 million Americans are living with HIV, and the number is increasing. Although the disease is very serious, only about 30% of those infected are aware of their status. Most people who are infected are also at risk of transmitting the virus to others.

The Centers for Disease Control and Prevention recommend that all adults and anyone 13 years and older, regardless of risk factors, be tested for HIV at least once in their lifetime.

When you get tested, you will be asked questions about your health and lifestyle. You will be given a blood test that can detect HIV antibodies. The test is usually done in a doctor’s office, hospital, or clinic.

The test results are usually available in 4 to 6 weeks. If you test positive, you will be offered counseling and treatment options.

If you have any questions or concerns about getting tested, talk to your healthcare provider.

Dispersing with the indispensible Strunk and White
Strunk and White

Of all the problems with the American English of today, the most fundamental is the danger of being misunderstood. The language is not only changing, it is being misunderstood.

All the artificial rule-making handed down by language creeps and schoolteachers only creates undesired effects.

White tells us that crazy old Professor Strunk had a thing about "student body," preferring the word "studying." You know, like "studying."
**Knife**

Gallbladder disease is a common medical condition that can affect many people of both genders. The gallbladder is a small organ located under the liver, where it stores and concentrates bile, a digestive fluid produced by the liver. When the gallbladder does not function properly, it can lead to gallstones, which are hard deposits of cholesterol that can cause pain and require medical treatment.

**Gallstones can vary in size from a millet seed to a hen's egg.**

The surgeon draws the "hot knife" shallowly through the fat. Wisps of smoke curl up, catching the light from the surgical lamps. "Smells like barbecue, doesn't it?" says a nurse.

The incision is to separate pain. "Laparoscopy" is the lady.

The incision is to separate pain. "Laparoscopy" is the lady.

**Four pairs of needle drivers grasp long roils of stainless steel wire extending out from the stitches. Five, six threads radiate up at each side of the seam, resembling the halved ears of a Viking ship.**

...
Knife

The forgotten outside of the body is reinstalled again. The tender flesh is pinched and stumped quickly. It takes 19 staples to close the wound.

Time and Translation

by Jonathan SAVILLE

The subject of Peus's book is the consciousness of the narrator.

A great many reviews of the book have focused on the character of the narrator, on his or her voice, on his or her personality, on his or her motivations. But these reviews have not paid sufficient attention to the book's language, which is a matter of form, not content.

The language of the book is a matter of form, not content. It is not the content of the book that is important, but the way in which the content is expressed. The language of the book is a matter of form, not content. It is not the content of the book that is important, but the way in which the content is expressed. The language of the book is a matter of form, not content. It is not the content of the book that is important, but the way in which the content is expressed.

Saloon Song

BY EUGENIO WIDMER
The Restaurant, Silver Knight Club The Times, July 2, 1947
Type A Print

If there is a chef-actor that you still remember, it is Daniel Forest, who
played the leading role in the award-winning
movie "Saloon Song". The movie was released in 1949
and has since become a classic in the history of
American cinema. The story revolves around a
Western saloon in the late 1800s, with Forest
playing the role of John Dugan, the owner of the
saloon. The movie also features standout
performances by actors such as Natalie Wood
and John Wayne, who portrayed the role of
Dawson, the town marshal.

The film's success was due to its
engaging plot and captivating performances.
The music, composed by the legendary
composer Max Steiner, added to the movie's
appeal. "Saloon Song" was nominated for several
Oscar awards, including Best Picture and Best
Actor, and won several other major awards
around the world. Its impact on the Western
genre is still felt today, inspiring countless
filmmakers to create movies with similar
themes.

In conclusion, "Saloon Song" is an
essential movie for any fan of Western
films. Its timeless appeal and enduring legacy
make it a must-watch for anyone interested in
the history of American cinema.

MUSIC & FILM

STICKS AND STREETS

As I was walking down 9th Street, I noticed a group of people gathered around a poster that advertised a performance. It was a live event featuring a band called 'The Lonely Dancers.' I joined the crowd, and we all waited in anticipation for the show to begin.

DANCES FROM THE DIAMOND REALM

This is a monthly series of performance art that takes place on the first Friday of each month. It's a unique blend of dance, theater, and music that attracts a diverse audience.

SINOCINEMA

We were exposed to the powerful themes of the film through a series of powerful images and dialogue. The acting was superb, and the cinematography was breathtaking. Overall, it was a thought-provoking experience that left a lasting impression.

If you're looking for a unique and engaging performance, I highly recommend checking out the next event in this series.
SportsFest '89

July 22
Sponsored by
The Ramona Outdoor Community Center
421 Aqua Lane (5th and Main)

Tour De Ramona
Bobsled Races
Kumiscan Island Feast

Day's activities include:

Tour De Ramona

With 10th annual Tour De France, San Diego has Tour De Ramona. Beginning at advanced riders, all will enjoy this ride. Venture over auto-free routes, including Old Julian Highway. Hear the Nysa, smell the calves. For registration information for this event, call (818) 769-6446

Bobsled

Imagine a day when bobsleds racing thru a vast palm-frond course, white Samsonic racing. The rails are open to all. They feature local celebrities as well as Olympic athletes. Watch 800's Rich Brothers host this incredible event. For registration call (818) 578-8236.

Kumiscan Island Feast

Demonstration teams for skateboard, bike, fencing, wrestling, and gymnastics keep the day jumping. Try your hand at challenging real Olympians. National Aerobics, those defying those who know what exercise can be more than fun. A spectacular fitness challenge between Camp Pendleton Marines, SWAT teams and more make the day's fitness events unforgettable. Checkered, body fat and blood pressure testing will be open to all.

Horse Show

Our country heritage is featured with cowboy pony demonstrations, Barrel racing, American Pony Club Dressage and San VicenteVaults.

Rib and Chili Cookoff

Supporting the country fair are chili and rib cookoffs (yip—free samples) with prizes and awards. For registration information for this event, call (818) 769-4449.

Kumiscan Island Feast and Show

How could the day be complete without a full 50-minute Kumiscan Island floor show with flying torches and dancing gypsy-violet maidens, hosted by Dr. Keith, president of Kumis. For an additional $3 per person, enjoy a complete feast, including kalua pork, chicken, Kumiscan coconut bread, rice, fruit and more.

Adult $10
Children 5-14 $5
Children 5 and under Free

SportsFest '89 benefits the U.S. Olympic bobsled, rowing and cycling teams. Come face to face with real Olympians. They will be there to talk to and even compete with.

OFF THE CUFF

Have you ever felt like you were living in the Twilight Zone?

By Lin Johnson

Nina Calabrese

Dentist

I've been waiting for this call for a while now. My patient told me that her crown had come off, and I was supposed to come over and fix it. But when I got there, it was completely different. The patient was hysterical, and I didn't know what to do. I tried to calm her down, but it was no use. She kept crying and screaming, and I had no idea what to do. It was a real test of my patience, and I'm glad it's over now.

Tom Dovisi

Bistro Owner

It's been a tough year for us. With the pandemic, we've had to close down for a while, but now we're open again. It's been a struggle, but we're making it. We've got a great menu, and we're trying to attract more customers. It's been a challenge, but we're doing our best.

AUTHORIZED FACTORY DEALER
BACK LOT SALE
72 HOURS ONLY!
FRI., SAT. & SUN., JULY 21, 22 & 23

ALL NEW PONTIACS & MAZDAS LISTED AT SACRIFICED PRICES!
This sale is not just on a few selected models but it includes all Bunnsville, Firebirds, Grand Am, Grand Prix, LaMoe, Grand Am, Trans Ams, 4800s, 2800, 2600, 2200, MPVs, MAXX, RX7s & trucks!

OVER 400 NEW CARS, VANS & TRUCKS, EVEN DEMONSTRATORS & EXECUTIVE CARS WILL BE SACRIFICED IN PRICE DURING THIS GIANT BACK LOT SALE!

ALL PRICES CLEARLY MARKED!
All sale prices will be marked with the manufacturer's sticker price plus a special price tag so the actual savings will be immediately apparent. The sale price will be removed from any remaining vehicles promptly at 10 pm Sunday!

ON-THE-SPOT FINANCING!
Even though we are sacrificing vehicles at low prices, you can still qualify for low 2.9% annual percentage rate financing for 24 months from GMAC on approved credit or rebates up to $2150 on selected models. Finance specialists will be on duty. Credit union members all welcomed!

USED CARS & TRUCKS ALSO SACRIFICED!
Due to the strong demand for used cars, our appraisers are in good position to offer you absolutely top dollar for your trade regardless of make or model. And, better yet, due to the large number of trades, we anticipate every used car on the premises will be sacrificed for immediate sale in an effort to minimize storage & handling problems!

NOW IS THE BEST TIME TO BUY & SAVE!
There will never be a better time to buy a new Pontiac, Mazda, or used car or truck. This sale is going to be an all-out sell-out! There will absolutely be no rain dates – the earliest buyers will get the best selection of the inventory.
