VERIFIED

The last vestige of a good liberty town disappears for the final time this Sunday night. Funland, the arcade on the corner of Broadway and State Street that has beckoned off-duty sailors for 42 years, no and alter affects for the seeks, and the state of the seeks, and the seeks are the seeks of the seeks of new skyscrapers. A speculator just paid \$19 million for the two buildings on the block and speculator just paid \$19 million for the seeks of the se which cut a deal with the skyscraper developers across the street to "clean up" lower Broadway. But this time, the arcade owner, 64-year-old Sonny Swede, isn't cooperating with the customary ain't-it-a-shame theme. "I'm so happy about it you can't believe it," Swede gushed last

Sonny Swede, a hanny man

BY PAUL KRITEGER

In SAID Diego, fish is a four-letter word spelled G-H-I-O. Four generations of Chio family have built a seafood empire of retail stores, a wholesale market, and cleven Anthony's restuurants that serve everything from \$3.30 fish-and-chips to a \$22 shellfish and chips to a \$22 shellfish success should keep a permanent smile on the faces of this Italian

The consortium, he says, got "an absolute slap in the face" from the port district.

immigrant clan but Craig Ghio is now so angry that his glare could sizzle a two-pound halibut filet. The object of Ghio's disdain is the San Diego Unified Port District. Last month, the port

District. Last month, the port turned down Ghio's plan to renovate the Harbor Seafood Mart, a restaurnit-retail complex located north of Seaport Village near the inter-rection of Market Street and Harbor Drive. Working with two other tenants of the port-owned complex, Craig Ghio had submitted

ENDLESS CATCH

week, standing behind his counter full of knives, sunglasses, Confiderate flag pathes, dice, Confiderate flag pathes, dice, Confiderate flag pathes, dice, can't wait to get away from this bunch of thieves and burglars.' Swede has owned the areade rated bookstore in the early 1970s. He says he knows nothing about the exb business. "I been lossing money in there for if y ears." (since the decided not o upgrade from

the glass and cleaned out a case of merchandise while Swede was behind the counter with his back turned. "They musta beat me out of \$150,000 in the last few years," he says, "I've been broken into a

As the Funland block became an island in a sea of opaque glass walls, it was besieged by the remnants of downtown's criminal class.

dozen times, and the cops haven't done anything about it."
Two months ago, somebody broke one of his windows and cut through the steel mesh behind it to swipe \$3000 worth of knives. "Cost me \$1898 to put in a second layer of steel mesh, and I'm only gona be here two months!" be growls. In

the background, the round of electronic Tommy gave and exploding bothen bursts from the video games, a sound that's no longer music to his ears. Two longer music his earth of the class of the class of the class of the class of the lease, every morning my heart was pounding like this — The beats when the lease, every morning my heart was pounding like his — The beats when the lease, every morning my heart was pounding like his — The beats when the lease is his my like his pounding like his — The beat was the lease of the lease

a proposal for a new an outdoor fish preparation and cooking area, a deconstrue outdoor mustal of California fish, a children's control of California fish, a children's anaphthetaer, where visition could watch fishermen unload the daily catch. Ghio and his fellow businessmen also asked the port for permission to divide up among themselves most of the IL39 space in the seadod mart vacuated earlier this year by Saccio's restaurant.

1860

specific to the careful process of the carefu

to a black, brown, or female restaurateur, known as "disadvantaged business emerginess" in port district lingo, emerginess" in port district lingo, emerginess in port district lingo, emerginess in a port district lingo, emerginess in a minoritie, when says of the port's commitment to bringing in a minority-owned firm. The helty cost of remodeling the cost of the money space looks expected during the first level years of the new operation would seem to dictate that the resultances owner, not a struggling emergencer. "He may be Hippaine or minority in name, but it's really a philosophical equestion of whether pathological expection of whether pathological expects of of whether pathological expects of whether proposal.

each of the existing tenants (Anthony's, J.I. Camillo's, and Chesapeake) would have gained approximately 3000 additional square feet, while the remaining 3000 square feet would be put out to bid. This smaller space would require less capital investment, allowing a fledgling resizuarateur a better channe of winning the port allowing a fledgling restauratur a better chanc of winning the port commissions' approval for his or her proposal.

But the port district's own analysis of the Anthony Consortium's proposal doce reveal.

While Ghio and his two partners would invest a total of \$1.7 million to reasone and remodel the Harbor Scaffood Mart, the port, as the

ptipprity's owner, would contribute
\$2.1 million to the project. The
port's income from the renovated
Seations' Mart would climb to
\$153,000 massley from the curve of
\$153,000 massley from the curve of
increase would equal a paltry 2.1
percent return on the port's \$2.1
million investment. There would
the consortism's proposal than if
the port district awards all of the
non-weard Sacción space to a newoperante. (While Arthony's would
consortism's plan, and
J.J. Camillo's would expand its
nanck sloop by 2.5, that's still less

Hand?

"I was a deacon at Israelite Church for 25 years. The Lord called me to the ministry in 1967, but I didn't want to do it. In 1959, the Lord told me to start Helping Hand Church, but I still didn't want to do it. In 1977 I gave up to the Lord, and in 1978 we started this church.

The company of the Church of God in Christ?

Had be grown up in the Church of God in Church and Cod as a Bagitat."

How had he come to be a member of Church of God in Church Park and the Church 'Ather I was grown! now econocid to Church 'Ather I was grown! now econocid of Church 'Ather I was grown! now for God in which and me to holiness till 1953. Then we sold exceptining we owned in Misstappi and came to live in California."

Why didn't he want to be a preacher? Because when the company of the company of the 'No. the had park was just that I didn't want to be no preacher?

What had he done by trade before finally becoming a preacher?

"Yes, it's very exciting — almost indescribable." Did he see Helping Hand as having a particular

Did he see Helping Hand as having a particular ministry?

"Yes, Helping Hand has a ministry of soul-saving, and it has a ministry of producing acting and the hard producing the Lord work here on the streets and down in Mexico. It's on-the-job training—particule ex-perience and teaching. They work downtown in Horton Plaza and other places. They help the needy pass out food and clothing."

Generally speaking, how did Helping Hand's members happen to become involved in the "Many of them were mark sinenes and got their "Many of them were mark sinenes and got their

neembers aspect to occure moves in the "Many of then were mark inners and got their saving here."

"Many of then were mark inners and got their saving here."

In the saving here. The saving here is the saving here. The found at larger, established churches?

"We offer the failuses of the googed of Jesus and Jesus at larger, established churches of the saving here."

We offer the failuses of the googed of Jesus and Jesus at larger, established churches?

"We offer the failuses of the goog of Jesus and Jesus at larger, established churches of Jesus and Jesus at larger, established churches of Jesus at larger, established churches and Jesus at larger to the saving at larger to the property of the saving at larger to the

the Bible — unas our guote, we occure, unas or, Holy Ghost is real."
How does he errision Helping Hand ten years in the future?
"I can just see a growth, but I don't know whether the Lord will let us stay here or move us out. Whatewer He wants, we'll do."

While the day of Pentecost was running its course they were all nowther in one place, when stadenly there came from the sky a notice like that of a strong driving word, which filled the whole house where they were string. And there appeared to them tongues like flumes of first, dispersed arong them and resting on each one. And they were all filled with the Holy Spirit and began to talk in other tongues, as the Spirit gave them power of utterance.

The Wednesday evening district service was scheduled for 645. When I arrived back at Helping Hand a few initiates before seven. Dider Cury was at the podium singling cotensymencously into the product of the service of the control o

SURVIVOR

It was a narrow escape. Only a third of his navy crewmates would make it; and for years, nobody in the United States knew there were any survivors at all. Hank Allen was swimming for a place where his past wouldn't matter. Nothing would, except animal instinct.

Nothing would, except animal instinct.

Just three months earlier, on December 7, 1941, the Japanese had attacked Pearl Harbor, crippling the U.S. Navy. Aboard outdated ships scattered around the Far East, sailors fought to stall the Japanese Imperial Navy's advance. Few of their stories are remembered.

with artibility and determination. The pain hash goe away.

"When you gradually strip everything else away, there's only one thing left in a human bring, and that's surveyal. Leart think and that's surveyal. Leart think won't do if her pushed long enough and hand arough. You do things to survive that would horrify you to think about todas! I was an absolute animal; and limit life. Held been sheltered growing up in Baton Rouge, Louising and the strip of the survival of the s "When you gradually strip everything else away, there's only one thing left

look seems to belong on someone else. Like many combat veterans and former POWs, Allen speaks with an unusual conbination of vulnerability and determination.

WEASELS RIPPED MY FAITH

When most people hear that an artist is scaling the music-int²-try charts, they think of his songs, becoming popularity, perhaps televiscentrally because the property of th

And for reasons that make a sort of warped sense.

Certainly, high chart placement is an invaluable promotional tool for an artist's record label, but it provides more than boasting power, and can, in fact, simultaneously impact

moting the artist, top-five or top-ten status is black-and-white proof that

status is black-and-white proofs they're doing a good job. For the artist, of course, there's gog grafification and a bargaining chip to get more money from concert promoters. In those cases where a record-promotion man needs help getting airplay for a certain song, rapid movement up the charts is a general conscience are unevent to deal. apid movement up the charts is a pretty convincing argument in deal-ing with radio stations. In a self-iffilling scenario not unlike presidential campaign polls, a record's impressive charting can even directly influence consumers who want to be in on what set who want to be in on what set who want to be in on what set involved has a stake in a record's position on the latest charts. So, who decides which records go where?

who decides bemis to the where?

Traditionally, the major music-industry publications, or trades, telephone key record-store chains each week to learn which recording are selling especially well, then rearrange their charts to reflect the surging, fading, and jockeying of various releases. Nothing unusual or

"I learned that if a company desperately wanted an album to be number one, they were willing to do

untoward there. But Smalls outlined a discreet system whereby such vital information can be united long before it is frameded to those trades. "The record company reps know that the trades call on Monday afternoon," Smalls said last week. "So (the record companies) call Monday morning, when the store opens." According to Smalls, what often eness are conventionable between the company reps — Smalls and his associates call them "wessels"

mapy careers. For the label honcho who signed the act in the first place — thus committing the comwho signed the act in the first place — thus committing the com-pany to an invariably expensive process of "breaking" the artist — high charting is a vindication of his instincts and foresight. For the marketing people saddled with pro-

ducements are subtly tendered to "encourage" the buyer to fudge sales information. "The first time that happened to me, I was too naïve to pick up on it," remembered Smalls. "To that point, I had been real honest with the trades; I'd a-

BY JONATHAN SAVILLE

The most memorable thing about the San Diego Rep production of Orinco' is D. Marryn Bockwaler's set, a famuati semi-crucial swooden deck, sweeping up interfly to the production of Orinco' is D. Marryn Bockwaler's set, a famuati semi-crucial swooden deck, sweeping up interfly to with pies of runks, bours, and crust that are with pies of runks, bours, and crust that are with pies of runks, bours, and crust that are better one again — as in his intiling the set her one again — as in his intiling and the set her one again — as in his intiling and the set her one again — as in his intiling and the set her one again — as in his intiling into the inflament of the set of the set of the set of sage space: naturalism medium gion the implement of the set of the

lesson into theater, Carballido has not ex-tubled much depth, inventiveness, or technical skill. The characters of the two women are thoroughly established in the first ten minuses of the play, and neither they nor our under-standing of them changas in any significant way throughout the rest of the two acts. The lack of any character development is paralleled by a lack of any plot development: the basic

lesson into theater, Carballido has not ex-

many different notions of dramatic structure. But the theatrical experience of 2500 years has more or lies setablished certain rules, which any playwright violates at his peril. The most fundamental of these is what we might call the IS-minute rule. Let the sudience members at themselves, every IS minutes, whether they are now in a different state of knowledge and feeling than they were D minutes.

The theatrical experience of 2500 years has established the 15-minute rule.

before — that is, whether the play has moved anywhere. If the answer is no, the play has a weakness at that point. If the answer is repeatedly no, the play is altogether weak. Cultures with greater resources of patence may the the the second of the play of the principle still applies. Alsa, whilever time-span one clinoses, Orinocol just doesn't measure up.

\$7

\$89

The progressive enrichment of character (absent here) and the rising and stilling tensions of a forward-moving plot (also absent) are not the only criteria to which one may be a supported to the control of the control of the control of the control of the progressive of the world and drawing the pilogeor, view of the world and drawing them on from the beginning to the mideling the pilogeor, view of the world and drawing them on from the beginning to the mideling the pilogeor. The control of the co

sinuation (the two women deserted on a boat in the Orinoco) undergoes no complications, nothing really sew happens, and the action mothing really sew happens, and the action cornerasions, repetitive illustrations of optimism and pessimism, and a few inventionally seedy song-and-dance numbers, demonstrating that as performers Mina and Fift need courage, since they have almost nothing else.

There are all sorts of plays in the world, and

Thinking about getting

It's worth thinking about. More you do not need to give your name than 1 1/2 million Americans are carrying the AIDS virus and the number is growing. They are male and female, young and old, black, white, Hispanic, Asian. They are homosexual and heterosexual. Symptoms

may not appear for many years. There are many ways to be infected with the AIDS virus without knowing it.

AIDS is caused by the human immunodefi ciency virus (HIV). It can be detected by a simple test for HIV antibodies that takes about five minutes of your time.

Pacific HIV Testing Centers provide completely anonymous testing -

1-800-654-TEST

And test results are ready within one day - most clinics take two weeks

The Centers are open Monday through Friday, 9 am to 7 pm and Saturday, 8 am to 12 noon. Most clinics provide testing

only during limited hours. For only \$25 you will receive quick, anonymous testing, and counseling before and after the test so that you will understand the testing pro-

cedure and what the test Pacific results mean. Call now for a free

brochure and directions Testing to the Pacific HIV Testing Center nearest you. No appointment necessary.

### "The Best of the Best"

Come see why ...

Karl Strauss' Old Columbia Brewery & Grill has been voted one of the three "Best Bars" in San Diego.

"One reader praised the new brewery and restaurant with unbridled enthusiasm: "Hurray! The best beer in town!"

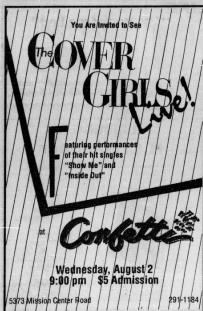

San Diego Magazine's Annual Dining and Nightlife Guide Readers' Poll, August, 1989

Thank you San Diego! **America's Finest City** San Diego's Finest Beers™

Research has Proven That an Enhanced Immune System Could Help You to Prevent or Cure Disease.

For 15 years, The Livingstont/Wheeler Medical Clinic has successfully treated thousands of patients from all over the world at our San Diego facility. The Immu-Shleid<sup>100</sup> program is designed to strengthen the immune system, a breakdown of which is a contributory factor to life-threatening diseases. For more details on the program, including patient referrals, U.S. government waccine patient and our university research cooperation, call (619) 224-3515 today.

IS ANGER CONTROLLING YOUR LIFE?

Anger Most of the time we don't even know when it's coming from. It makes us do stupid things...say stupid things... and often to the people that we love the most. There is a reason the that anger is present, and it can be dealt with.

Don't let anger control your life. You can have the that you deserve. Under standing your past is the key. We can help...now. Be free from anger. Call today.

ASTIGMATISM CORRECTING SOFT LENSES

Tonic soft lenses are specially soft lenses made to correct astigmatism. When the first tonic soft lens was introduced in 1980, the limited parameters allowed only small numbers of astigmatic patients is enjoy the benefits of soft lenses. Now, with the proliferation of contact lenser manufactures, virtually any astigmatic patient can be titled successfully with contact lenses. For a limited time, we will ofter a reduced material lete for the circl liness. Professional services are extracted to the control of th

CASE RECORD

MIRACULOUS CURE

Life after cancer ... it's worth living AN ALTEMATIVE APPROACH
There are no experimental or ever drugs involved. Increasing the cell membrane's
permetability obstants the planmachinguical actions of PDA approved
in its applications over some sixty years this therepay has produced a consistently
higher level of clinical sources as companied to conventional absorbite metical
problem in the control accuracy and application of chinosis depressable diseases, including malignant morphasis.

CERTIFIC PRESPECTIVE
There are several articles published in the poer review literature of medical journals that supports the effectiveness of "his therapy. But the most important is the experience accumulated over the years and thousands of cured patients whening their light adjusted cancer.

A STATE-OF-THE-ART-THERAPY
Sandra was lucky. Her cancer had been delected early and she recovered very
fast. "In fact," says Sandra, "I never missed a single day's work-right through the

treatment!"
Today, most cancers are curable with this safe and effective therapeutic approach
eliminating the need for surgery, radiation or toxic drugs that allers and harms
the human ecological environment.

the human ecological environment.

HELD OVER

**AUTHORIZED FACTORY DEALER** 

# BACK LO

**72 HOURS ONLY!** FRI., SAT. & SUN., JULY 28, 29 & 30

#### **ALL NEW PONTIACS & MAZDAS LISTED AT SACRIFICED PRICES!**

This sale is not just on a few selected models but it includes all Bonnevilles, Firebirds, Grand Ams, Grand Prixs, Le Mans, Sunbirds, Trans Ams, 6000s, 323s, 626s, 929s, MPVs, MX6s, RX7s & trucks!

OVER 400 NEW CARS, VANS & TRUCKS, EVEN DEMONSTRATORS & EXECUTIVE CARS WILL BE SACRIFICED IN PRICE **DURING THIS GIANT BACK LOT SALE!** 

#### **ALL PRICES CLEARLY** MARKED!

All sale prices will be marked with the manufacturer's sticker price plus a special price tag so the actual savings will be immēdiately apparent. The sale price will be removed from any remaining vehicles promptly at 10 pm Sunday!

#### **USED CARS & TRUCKS ALSO SACRIFICED!**

Due to the strong demand for used cars, our appraisers are in good position to offer you absolutely top dollar for your trade regardless of make or model. And, better yet, due to the large number of trades, we anticipate every used car on the premises will be sacrificed for immediate sale in an effort to minimize storage & handling problems!

#### **ON-THE-SPOT** FINANCING!

Even though we are sacrificing vehicles at low prices, you can still qualify for low 2.9% annual percentage rate financing for 24 months from GMAC on approved credit or rebates up to \$1250 on selected models.

Finance specialists will be on duty. Credit union members all welcomed!

#### NOW IS THE BEST TIME TO BUY & SAVE!

There will never be a better time to buy a new Pontiac, Mazda, or used car or truck. This sale is going to be an all-out sell-out! There will absolutely be no rain dates – the earliest buyers will get the best selection of the inventory.

Hours: Mon.-Fri. 8 am-9 pm Saturday 8:30 am-9 pm Sunday 10 am-7 pr

# Eleanor Widmer has moved.

Well, not exactly. But her expanded "Reader's Guide to Restaurants" has been relocated from section three to section one, next to her weekly. restaurant review. These indispensable capsule reviews of recommended restaurants have always helped our readers decide where to take out-oftown guests, find a late-night eatery, or simply select the best dish at a particular restaurant.

Eleanor has now added more reviews for an even wider selection. See page 35, section one.
