lises soys this vinctinheness begon in 1984, when he worked so physicionypealhottist of Patton Stote Hospital, of that firms a prison for mentally demanged sec ofenders. Ness says that when he was assigned the her main words of Patton, he alsowed that the hospital was impropely drugging freese immotes with a date of tenanguillasms, in effect using drugs.

of violence but date drug acticitis, thanks to he Statle of California. Kees also disagreed with mixing inlected includuous into the immate population, including finces with hepotitis, and even ADS. As chief physician on the few most dangerous ments words, the stoys he was not informed as to the labeling with informed as to the labeling infections diseases. "They'd pass out 5 status for 70 guys," Kees remorts. Tend of sloth on these a posen words.

Our staff of fully trained and Board certified physicians and surgeons will provide for all your medical needs.

We provide:

**Outpatient Surgery** 

Laser surgery availal

Hernia repair
Circumcisions
Hemorrhoids
Cosmetic surgery
Tubal ligation
Foot surgery, bunions, bone spurs, etc
And many other procedures

**Minor Surgery** 

Warts
Moles
Skin cancers
Fatty tumors
Tattoos
Ingrown toenails
Cysts
Skin growths

Surgery

Outpatient surgery reduces your cost and eliminates expensive hospital care.

#### Money Saving Benefits

No charge for surgery

Very reasonable medical fee

Blenner. These terms refer to the way people react to stimuli. At one end of the continuum are the reducers — people who are born with the ability to handle lots of sensory input. Augmentors, on the other end, are more easily agitated. Most people fall somewhere the between. Thrill-seekers, Blenner

thinks, huddle at the reducer end.
But Blenner's study was not
trying to prove the somewhat
obvious. She wanted to know how
annately skilled her subjects were at
reducine natiside stimuli. Using a
trype of BEO machine, her assistant
measured the brain waves of each
participant while it or she washed
and the stimuli of the such could

#### STRAIGHT FROM THE HIP By Matthew Alice

Dear Matthew Alice:
This question has plagued me ever since I
moved to Son Diego, more than two years
ago. I car wait no longer. Why are there
worms in bottles of tequila? Is the create
really a worm or is it a grub? Is it true that

worms in boiles of sequilar? Is the creature really a worm or it is agrab? In true that some people decour the worm? Does the case of the control of the con

sanctioned tequila, the kind we buy nere, Mescal can be made from any variety of Mescal can be made from any variety of For both drinks, the heart of the plant is shredded and setamed, and the sap is fernmented and distilled. Mescal is usually lower in alcohol (69 proof); esponded equals is a more aged and refined product. But in office of the same set of the same skipper (a butterfly relative) Megathymus reshowns. If you check out the canned goods section of a store in the interior of Mexico, prior, fried mapper grubs, which are considered a delicacy. A popular local snack considered a delicacy. A popular local snack con-

siits of a whole wad of french-fried guamos popped into a tortilla, creating, if you will, a caterpillar such. They was allow served steamed or straight out of the can, with guamonies, who continued the product's authenticity and quality. And to the drinker who swallows the last slug of mescal in the bottle goes the honor of eating the worm. This is goes the honor of eating the worm. This is died of caterpillars as cuitsness is unthinkable. It's rumored that the Stephene giant skipper is rapidly vanishing because its larvae are such that the stephene giant skipper is reput to the continued of t

penalty you pay for the alleged "good time" you had getting ripped the night before. But worms aren't the only things that are added to mescal. It's said that in one part of the state of Chibaubau, a rathenake is dropped into the fermenting brew. But there are no reports that Chibaubausar tyo ustiff the stake into the beats of the control of the con

Dear Matthew Alice:
We re always hearing about the disappearing oone layer of the upper atmosphere.
We re also hearing that oone is one of the major (and whateithy) components of smog. Is the oone in smog the same as the come in the upper atmosphere; and by, does any of it get from down here to up there?

Oceanside
Ozone is ozone, B.P. We've got too little
of it up there and too much of it down here.

Unfortunately, we can't patch the hole in the coone layer with our ground-level overahundence. If things were as they should be, coone would be created in the stratosphere by a continuous of the continuous of t

Got a question you need answered? Get it straight from the hip. Write to Matthew Alice, c'o the Reader, P.O. Box 80803, San Diego, CA 92138.

THE WITHSES: Doris Largerne Schoffeld.
My address is Desert Hot Springs.
Collifornia.

G. Mrs. Schoffeld, were you living at that some address a year ago?

A. Yes.

G. How did Dr. Kees first come to your attentions.

G: How did Di: Kees Inter come to your attention?
A: I was at church, and there was an aid in our church builletin that the dactor was ready to receive practice. And the way if was written up, it was like it was a new practice opening.

#### The Dark Side

In effect, instead of being about serial kill-ings and the sociology thereof, Down the Road comes to be about corteri— and the battle for the book. The more we learn about Reach, the more he fits the familiar profile: an anarchist's detesting of limins, of anything that offense (a) he, a financy: a yearing for immediate (a) he, a financy: a yearing for immediate (a) he, a financy: a yearing for immediate (b) he will be a financy of the f

motivations. Part of the problem is that Reach is a static character, a dead end, no pun in-moded, and the plus seems to realize this about halfway through its 90 intermissionless minutes. Thus the focus shifts from Reach to the growing strain in the Henntmans' partnership. But anist from their jobs, we know very includes composing travelogues with the tape

#### **UWE HIELSCHER**

WE HIELSCHE HARD UP HAVE VEHICLE OF THE HARD LIVE HISCHE, or grant is of the Markkinche in Wiesbaden, unsattlichery recital in the Cathedral Church of St. Paul. It is not often that even a bad in the control of the c

metrical thrust of whatever he was playing with a limping ritardando and these gross signposts came along so often that the listener was constantly losing a sense of the rhythm, having to figure it out anew for several bars after the dislocation. The result was a breakup of the musical discourse into a series of fragments, as well.

breakup of the musical discourse into a series of fragments, as well as a periodically renewed disorientation in the listener's attempts to follow that discourse. The disorientation was due not only to the stopping and starting but also to Hielscher's difficulties but also to Hielscher's difficultier in conveying metrical shapes altogether. Downbeats on the organ cannot be indicated by increased loudness (as on the piano, where the sound is responsive to finger pressure), so that in order to communicate a rhythnic pattern — that is, to let the listener know where the bars beein — the organist must make been — the organist must make

cistrechings and compressions within an established meter). This must be done with delicacy but firmness; but I heard little transcription of the control of

specificates insumban on the performet to adjust adequately to the performet to adjust adequately to the local situation — something. Hielscher failed to do. Again and again throughout the concert, one simply could not perceive what know where one stood until one of those gigantic ritards came along to incluse that something the same and the too into inagaine change change and music's essential structure and sometimes even interfering with it, yet at the same time there was the works on the program, so that in their coloristic effects they all tended to sound very much the same, whether theichner was man, whether theichner was consecuted to the same of the same of their concern by Vividid — a type of a concern by Vividid— a type of a concern by V

the San Pasqual tribe of the Kumeyasy semained to establish a small pueblo in the walley, their ancestral home. That village overlooked the bettle of San Pasqual, and it is thought that the chief, a "Spirit-insined man," sided with the gringos. He must have thought he picked the right side when President Ulysses S. Grant assipliahed the valley as the San Pasqual Indian Reservation in 1871. But the federal government revoked this action a year later. And in 1878 the Iredians were eviceed from the valley and their houses destroyed. Ever since, the San Pasqual tribe has lived on a reservation in Valley Center. Today a public elementary school sits on the site of the pueblo, but the old graveyard is still there, (continued on page 2, cot.)

AUDITION HOTLINE

The world premiere of a new play by the author of A Walk in the Woods.

by Lee Blessing Directed by Des McAnuff
Through September 17. in the Warren Theatre

"Fascinating... A compelling, thought-provoking play. The bond between Blessing and the Playhouse has been an unqualified boon. The rewards continue with *Down the Road*...crisp. insightful writing... thoughtfully imaginative directing."

by his passion for a beautiful and absolutely deceitful young

Molière's classic comedy springs to vivid new life in this

## Is Anger Controlling Your Life?

Anger. Most of the time we don't even know where it's coming from. It makes us do stupid things, say stupid things, and often to the people that we love the most. There is a reason that that enger is present, and it can be dealt with.

Don't let anger control your life.
You can have the peace and joy
in your life that you deserve.
We can help...now. He free from
anger. Call today. Marc Gotbaum, PsyD 552-8426 9555 Ceresse Ave. Suite 201

VW TUNE-UP \$49.98

Well, not exactly. But her expanded "Reader's Guide to Restaurants" has been relocated from section three to section one, next to her weekly restaurant review. These indispensable capsule reviews of recommended restaurants have always helped our readers decide where to take out-oftown guests, find a late-night eatery, or simply select the best dish at a particular restaurant.

Eleanor has now added more reviews for an even wider selection. See page 36, section one.
