PICTURE STORY By the San Diego Historical Society

In its history, San Diego has had two roller coasters in addition to the one still standing in Mission Beach. This 1915 photograph shows Thompson's Racing Coaster, part of the Ishmus carnival-ride area of the 1915 exposition in Balboa Park. The coaster was located in the area now occupied by the zoo parking lot. Racing coasters were popular amusements of the era. They had two side-by-side tracks, and a pair of cars would be sent out together in a sort of slot-car race. Next week: Ocean Beach's Blue Streak Racer at Wonderhand.
