It would be great to see what different forms of entertainment we could come up with. I'm very sports-minded, but in this situation, if there was an old this situation, if there was an old rowboat on the shore, that would be ideal for me. We would explore the island thoroughly to find any untouched territory. I'm a kind of a Romancing the Stone type. As far as shelter, a blanket on the beach is all shelter, a blanket on the beach is all we'd need.
