City Lights:

Matt Potter – Ray Huffman's latest dive
Paul Krueger – dividing the Broderick estate
Neal Matthews – the abortion clinic in the courtroom
– and Patrick Daugherty crashes Demo party

Story by Luis Urrea

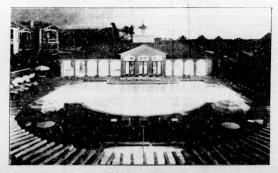

Photographs by Alfred Pagano

One of the most beautiful views of San Diego is from the summit of a small hill in Tijuana's municipal garbage dump. People live on that hill, picking through the trash with long poles that end in hooks made with bent nails. They scavenge for bottles, tin, aluminum, cloth; for cast-out beds, wood, furniture. Sometimes they find meat that is not too rotten to be cooked.

(continued on page

STRAIGHT FROM THE HIP By Matthew Alice

Dear Matthew Alice:
What does your kneezing do?
Spring Balley
Busy, busy bone, John. It may look as if
it's you lurking there, nested into a notch air
it's you lurking there, nested into a notch air
it's you lurking there, nested into a notch air
it's your lurking there, nested into a notch air
it's your shin home. From it is beme base, it can
not all the time to ennect syour thigh home
to your shin home. From it is beme base, it can
not shin the connect syour does and
the air potential threats so the capsule
of the knee joint. Consider the last time you
salked around the corner of your does and
drawer. Who was there to take the bruin of
the force? Good old Mr. Kneeap, When
your leg is flexed, your kneeap is palled
around plate.
But wait: That's not all. When you bailed
off and gave that does drawer as it did take
around plate.
But wait: That's not all. When you bailed
off and gave that does drawer as it kick, you
were grapting consourced on bointy surroun
secondishmen. The tendors that no doon
the front of your thigh and shim;
successed in the front of your thigh and shim;
successed in the front of your thigh and shim;
additional leverage because they are raised
up over the kneeze, In a lever (your leg),
the higher the fulcrum (the kneezen). the higher the fulcrum (the kneecap), the greater the leverage and power (good with hish). The same principle is used in the design of indistral cames you often see on top of skyscappers under construction. So top of skyscappers under construction So is hard at work. It also helps withstand the extreme forces placed on the knee joint when you run or climb stairs. Oddly enough, the one time your kneecing sees a breasther is when you kneel. Them, so the property of the construction of the property of the property of the property of the property of the stairs.

to my cars no less successful than most of the music that followed. The hand's first high-profile release, Time, carned Westerberg's song-warting rep but suffered un-necessarily from half-thought ar-sported a high-gloss sound and too many of Westerberg's least impired compositions. With last year's Don't Fell a Soula' and particularly the glowing single "Life You." some

sort of breakthrough seemed imminent.

International the section and actention deln't serve as much of a balm for Westerfers' stortuned soul.

The fifth arriping week' An abanta for Westerfers' stortuned soul.

The fifth arriping week' An abanta for westerfers' stortuned soul.

The fifth arriping week' and as a trunk as we're Sarting to drown!

All shoek down't peet the chors to the fifth arriping stortune and the fifth arriping stortune and the fifth arriving stortune and stortune and the fifth arriving stortune arriv

It's very easy, if you haven't been conditioned to expect miracles, to be seduced by this record's clear engineering and sturdy (largely undistorted, frequently acoustic) guitar architecture, and frank't) is en o good reason to resist it. Gradually you pull your attention away from the veneer and focus on Westerberg's phraseology: "You wanns be a dancer and I'm on my last left," "You don't suck";

"Anywhere you hang yourself is home": "The magazine she fligst through is a special double isocci Smells like perfume, she leaves it on the plane" (one presumes that good notice in Rolling Stone doesn't have much effect on Westerberg). Costellam wordplay galore, and like the best Costello, somehow far met that a random collection of wortening.

FOR A BETTER VIEW, YOU'D HAVE TO BE **AN ASTRONA**

This breathtaking OMNI film shows you the Earth from space. A view only a few lucky astronauts have enjoyed - until now. You'll see how our environment is dramatically changing. And what we all can do to help save our planet. If you come on Saturday, November 17, you can save money as well. Just bring four aluminum cans for recycling between 10 a.m. and 4 p.m., and you'll get a 20% discount on any show. While aluminum cans for recycling between 10 a.m. and a priming there is a proper out free environmental programs.

ACTO SALAPHONE, counted couldn't be a few of the counter of the co

ORTHOKERATOLOGY is the safe and proven method of correcting nearsightedness and astigmatism by fitting a series of comfortable, correcting centact lenses which gently reshape the cornea to improve vision.

Vision restoration often in 6-8 weeks.
 A retainer lens may be worn only
2-3 times a week.

Dr. Michael Satterlee has had over 20 years' experience in this procedure and is duly excognized as a Feilow of the International Orthokeratology section of the National Eye Research Foundation.

Call today for a free consultation 298-0665
