Jennifer and DeMelvin

BLACK CARIBBEAN PROFESSIONAL, 32, seeks loving, romantic Prince Charming type for special friendship. 17

Jennifer: It was last March. I was recently divorced, and one day all the singles at my advertising department got together with the Phone Matches and said,

"We've got to do this."

DeMelvin: I'm in the construction business and also divorced. I was just browsing through the Phone Matches one day and saw Jennifer's ad. It

intrigued me.

Jennifer: The last part of his phone message to me was, "And I'm Prince Charming. Where have you been hiding?" I thought he

was arrogant.

DeMelvin: I knew she was going to get a lot

of responses ...

Jennifer: 1 got 85.

Jennifer: 1 got 85.
DeMelvin: ... And I was trying to be different.
Jennifer: It worked. After three Phone Matches

weeks of phone calls between DeMelvin and I, we finally met at

the Rusty Pelican in Mission Valley. DeMelvin: When she walked in the door, I said to myself, "Oh my gosh! She's beautiful!" I had no idea how attractive she would be.

Jennifer: That's one of the great things about Phone
Matches. You get to know someone from the inside out, first.

DeMelvin: By the time we met face to face, we already knew about each other's kids, our likes and dislikes.

Jennifer: Phone Matches is so safe! I used to go out to jazz bars, but if I met a guy in there, I didn't care what they how good-looking they were ... I didn't want anything to do with them.

DeMelvin: With her being in advertising and myself in construction, Jennifer and I didn't travel in the same

circles. If it wasn't for Phone Matches, I Jennifer: He really is my best friend. DeMelvin: I feel she's the most beautiful person I've ever met. Jennifer: Because we met through Phone Matches and spent all that time

on the phone, we got to be friends first. DeMelvin: And should we get married, we'll have that as

00000 YOU TELL US THE JOB

YOU WANT ...

······

You couldn't have picked a better place to find a permanent or temporary job.

Introducing the San Diego Reader's

WE TELL YOU WHERE TO FIND IT.

Reach many unadvertised job openings in San Diego county.

Because it is extremely expensive to advertise job positions in the daily newspaper, many employers and employment agencies list only a small fraction of their available positions. The San Diego Reader Job Finders Hotline is different. It's a place where San Diego employers can list all of their jobs. And it's a convenient place for you to apply for them. (Employers call 235-3000 to list vour jobs here)

Discover that finding a new job is no longer a full-time job.

Using your touch-tone phone, you can now hear 24 hours a day about positions that you are interested in. Prompts quickly guide you to up-to-date job listings in your particular field. New jobs are listed each business day and as soon as a position is filled, it is removed from the hotline.

The best jobs go quickly ...

and one of them may go to you. During a 4- or 5-minute call, you can listen to a few job listings in your line of work and, in some cases, leave a personal message for an employer which expresses your interest in a particular position. Some Hotline listings also appear as printed ads in the Reader; but you can respond to them on the Hotline before they are printed in next Thursday's issue.

Free Job Finders Handbook

Everyone who calls 1-900-844-JOBS may request our free handbook which describes in detail how this lob service works. The handbook also includes information about San Diego's employment market, resume preparation advice and tips that will belp you perform better in job
