n the pre-dawn gloaming, the roadbuilding machines are just black shapes lined up beside the southbound lanes of Interstate 15. From the overpass at Miramar Way, only the light from streaking headlights betrays the angled outlines of multi-ton graders, pulverizers, rollers, trench cutters, bulldozers, and pavers. The neat lines of cars hurtling toward San Diego seem linked like iron chains anchored somewhere far away to the north.

OFF THE CUFF

When was the last time you felt really disappointed?

Foot Lens
The most receive was this surmost receive and below. It was really
compared to the on for a month, but I had it taken off after two weeks. Those were the longest two weeks. It ruined every-thring, i couldn't go to the beach 'cause sand would get into it. I just sel-home and kept it clevated. I started writing a fot of letters to my french. I listened to a lot of music. French came over and washed movies with me. I guess it could have been woose.

GEORGINA MICHAELS

Light Secretary.

This was few given ago, I was the man very very all short inter. Why was very very all short inter. Why was very very all short inter. Why could wan his favorite line, the if the present that the party has his favorite line, the if the present and he may hap has had not expect and the party has always the "weetheat" upon the party has always the "weetheat" upon time a work of the part in our line shaws, the has a who had been a weetheat the party has a work of the party has a work of the case of the next shape. Our shape I was seen to the cover to pick me up at 8 pm. By the over to pick me up at 8 pm. By I pat weet to the cover myself. It was a concert out at Humphrey 1. I have seen the force of the party was a concert out at Humphrey 1. I was a concert out ran into an old gittliviend there. She was with her boyfriend and another guy who was going to move to San Diego. I told him when he moved to San Diego to dall me, that I'd show him around. He did, and I did, and we've been together for almost five years. So I guess sometimes, some things are meant to happen — even disappointment.

PRESIDENT BILL

By Wm. L. Brown 21991

Some arrogant people

were spreading intoler ance, limiting freedom of speech and thought within their own circles, and seeking to impose the same on all Americans. Their nearly

successful attempts to muzzle artists and academicians drove my administration to action. These "traditionally correct" (TC) people, touting so-called traditional family values

and the strict social struc-ture of the "good old days," wished to force everyone into the mold of a patriarchial, heterosexual, church-going nuclear family. We removed the TC

threat by giving them just what they wanted. * *

NON-MERCURY FILLING OFFICE

Due to the controversy over mercury in silver fillings, the "60 Minutes" show, many European nations banning its use or considering its banning, I have made a conscious medical decision to avoid the use of mercury fillings. The government requires no mercury in your house paints, in your tuna and the EPA can consider it a hazardous waste during disposal procedures. Don't you think it makes common sense to reconsider mercury fillings?

Richard, Jackie and Brittney Muse

I'M ENERGETIC, 35, educated, adventurous, a morn. I love the Lord, country dancing, movies, and being fit. Seeking sensitive, successful, humorous, creative, fun, Godly man. Jackie: It was January of this year. I was ready to date some new people, but I wanted to try something different.

Richard: A co-worker, in teasing me about not being bold in asking men out, jokingly suggested, "Why dor ou try one of the Phone Matches?" So

Jackie: I was hoping to meet someone who wanted to do a few of the things I put in my ad.

Richard: I thought she was describing me. Jackie: He left this big long message. And anothe one. I thought, "I've got to call this guy back." Richard: Because of conflicting schedules, " weren't able to meet until two weeks later.

On our first date we saw a double feature.

Jackie: Actually, we spent the second movie talking in the back of the theater. Richard: Within a few months, we decided this was turning into something

Richard: We started talking about marriage, but I hadn't really asked her. She said, "I want you to ask me formally.

Jackie: One night he took Brittney and me to Seaport Village. When we got into a horsedrawn carriage, I spotted his guitar case in there.

Richard: We stopped on a pier and I sang a song we all liked, called "The Weaver." Brittney here was singing

along with me. Jackie: When he finished, he got down on one kaee and said, "Jackie, will you marry

Richard: And she said, "Yes!" So I pulled out a ring box and started to hand it to her, but hesitated when I noticed it was the one I had gotter for Brittney. Before I could do anything, Jackie had opened it.

Jackie: It was Brittney's.

Brittney: Yeah, and I started crying. Richard: I pulled out Jackie's and gave it
