The best place in town to find a roommate just got better.

Introducing Reader Roommate Ad For just \$16 per week you get the following three

A 25-word printed ad in the Reader

which contains a general description of your roommate situation. You can now place your roommate ad 24 hours a day, 7 days a week, from any touch-tone phone by calling into the Reader Roommate Line at 262-2066.

24-hour voice mailbox service

which will allow you to leave a 60-second recorded message describing in detail your available mommate situation. If you're looking for a roommate who shares your passions for Cole Porter tunes, popcors at midnight and volleyball games at the beach, this is your opportunity to say so and more. We will also use this recording to write your 25-word printed ad.

Respondents, who see your ad in the paper, will call into the free response line, hear your detailed mailbox message, and leave a message for you. At your convenience, you can call 262-9066, day or night, pick up your messages and choose who to call back.

Get response before your ad appears!
Soon after you record your mallbox message, it will be placed on the Roommate Hotline.
Repondents who call the Roommate Hotline will have access to your recorded message before the Reader even hist the streets on Thursday If you record your message on Tieuday, you could be interviewing potential promnates on Wedneday, and collecting rent on Timusday!

To place your roommate ad call 262-9066 day or night.
