"God Made Me Do It," She Says

SPANISH EYES by Debra Wimer

The first thing I remember is crying over how tragically short Elvis Presley's life was, how he was taken so suddenly from all his loved ones particularly the girl he loved and was to have married Christmas Day 1977.

Elvis Appears in North County **Driveway**

G is for generous always giving of herself. I is for ideal, she's more perfect than anyone else. N is for newcomer, but a STAR she will be. G is for generous, her generous way to you and me. E is for ever lasting, our friendship will never end. R is for richness, now that she's my friend.

Reclining Figure: Prop. by Henry Moore

REVIEW

John Cole's Book Shop in La Jolla is of another age. There is nothing high tech about it, nothing of the cold, efficient mall mentality, no connection with an impersonal national chain of book marketers. It is a rambling, old-fashioned wooden house, set back from the street by a spacious, tregularly alsping lawn. To get into it, you walk under a long, wine-covered pergola, with tables of reduced-price volumes lining the path.

Ann: Dan was the third person I went out with through the Reader. After the first two, which didn't really work out, I wanted nothing more to do with Phone Matches.

Dan: Luckily, her sister kept reading them. She found my ad and mentioned it to Ann.

Ann: She read his dimensions: six feet tall, 160 pounds. I said, "Forget it! This guy's totally fit; he won't want anything to do with me.

Dan: But she called anyway. And when I called her back, we talked for a good 45 minutes or so. I suggested Tijuana for our first date.

Ann: And I said, "Sure." But then my friends and my mom said, "Don't you dare go to Tijuana with some man you don't know!"

Dan: So what did we do, but take a long drive to

Ann: We drove to a lake out there, and then had lunch in town. Dan didn't talk very much, and I talked more than usual because I was nervous.

Dan: I really started to like her at that point. We had a lot in common. During lunch, she asked me if I wanted to come to dinner that night at her friend's house – with her family.

Dan: After a second date with Ann, I didn't see her for a week. I had a prior commitment with another Phone Match date, but I didn't enjoy myself. I kept wishing I was with Ann instead of the other girl.

Ann: I never imagined meeting someone like Dan through the Reader. I was just looking to make a few friends and have a good time, not for a partner. And now we're getting married on July 17.

Dear Tempted:

That depends on how you define "relationship material." If integrity, intimacy and commitment are valued, this guy has struck out before steeping up to the plate. His domenane is obviously alluring, but let's get real! Playfulness and permanency are not equivalent, and this one seems to have his play clothes on rather than his "black lite." Accepting his play clothes on rather than his "black lite." Accepting his nvitation may be exciting, but it might also be disappointing it long-term commitment is what you are after Nevertheless. while you are looking for your "perfect" mate, there's no rule against having fun with the "misfits" along the way.

When We Knew it Was Over. A long time ago, when Dallas coach Jimmy,

son left his wife so he could devote all this time getting the Cowboys to the

Super Bowl, Jim might not be a fun gay to party with, not someone you'd choose to confide in ("Jimmy, I'm secually confused and have a pharmaceutical problem. Can I share this with you!"), but if you owned a business, who the swould move his bunk bed into the office and stay there twelve months a year!

Water polo is possible, as well as the baton-throning nationals. There is always lawn bowling, But for the immediate future, the Box is Baskerball Headquarters, speciform of the property of the property of the property of the conferences in depth, until the get drammed out of the NCAS Tourrament, which won't take long. For a little spice we'll add UNIX and major independents. We'll have two new contestants for this leg of the maration, each one a vicious competitor. This time we will offer felulous prizes. T-Shirts, office supmust attend San Deges State Baskerball granes.

Many thanks to Nevada Bob, who will be back next fall.
