In fact, we'll give a \$25 Rebate to anyone who signs up with PacTel Cellular, even if you bought your phone somewhere else.

Why, we'll even give a \$25 Rebate to anyone who switches from U.S. West Cellular to the clear advantage of PacTel Cellular.

So, why all the secrecy? Well, there are some who could misconstrue this \$25 Rebate as a bribe.

evoking through association the culture in which they were current instruments rather than his-torically accurate reconstructions. The performers at St. James were happy to talk about the instru-ments for the audience's benefit, demonstrating the sounds and techniques as well as their own mastery. Mastery it is, for all four performers are

so thoroughly comfortable with the technique of their various instruments that they can concen-trate on the higher at of making music. It was, for example, dazzling to observe Ben Harms playing the tabor with one hand and the pipe with the other, with such perfect coordina-tion and such eavy agiliry. But what really counted

here was the artful shaping of phrases, the nuanced ints and-outs of accents and control and control and production of the control and production of the control and production of the control and resources—as well as the per-former's obsession joy in being and sensitive music from an in-strument like the pips, which by all objective standards is prim-tive and rudimentary com-trive and rudimentary com-ments (and even with some of its own contemporaries). PICTURE STORY

by the San Diego Historical Society

amona Town Hall, circa 1914. Twenty-Rone years earlier, a local philanthropist named Augustus Barnett had donated the brick-and-adobe structure to the town, putting to rest a "moral debate" over the propriety of holding dances in a local school. Besides dancing and politicking, the hall also hosted a bank, a high school, and a movie house at various times.

Older Ramona residents may detect a whiff of déjà vu in the hall's latest restoration plan just approved by the Board of Supervisors; a 1975 Ramona Sentinel article bemoaned the structure's lack of reinforced beams and admitted "the mass of the building is the only thing holding it up."

# You're Single. We're Free. Why Wait?

Introducing Reader PHONE MATCHES, a Great Place to Meet Single People. You are provided with a free personal matching ad in the Reader Classifieds. You also receive a free "voice mailbox"—a phone service that allows you to record and receive messages from any touch-tone phone.

HOW TO PLACE YOUR AD: To place a free Phone Matches ad, fill out the coupon below and mail or FAX it (233-7907) to us. (If faxing, please photocopy the coupon first and then fax it. The newspirin doesn't reproduce well.) The deadline for receiving free Phone Matches ads is Saturday at 7am. Free ads are 25 words or less and run for two weeks. No free ads will be accepted over the phone or in person. Ads with more than 25 words core \$1.20 per additional word. We'll send you a \$5-digit mailbox number (to be printed in your ad) and a 4-digit security code for exclusive access to your responses.

You may also place a late ad until 6pm Tuesday by phone (235-8200), in our office (1703 India St. at Date St., downcown), or by FAX (233-7907). The charge for these lates as \$2.0 for the first 25 words plus \$1.20 per additional word. Ads placed by phone or by FAX are with Visa, MasterCard or Discover only. Dan: After a second date with Ann, I didn't see her for a week. I had a prior commitment with another Phone Match date, but I didn't enjoy myself. I kept wishing I was with Ann instead of the other girl.

Ann: I never imagined meeting someone like Dan through the Reader. I was just looking to make a few friends and have a good time, not for a partner.

Dan: Ann's personality attracted me from the start. She's concerned about other people, and I admire that. She's always there for me.

Ann: And Dan makes me feel so special ... he loves me more than anything else in the world! He's my honey.

"I have tried every rental publication there is and the Reader is the best source of advertising for the Pacific Beach area."

"We are having a very positive response to our ads for our La Mesa property and our other properties. Our managers have rented many apartments from these ads. We are very happy to have found the Reader".

# Reader Rental Advertisers Speak for Themselves

"My rental ads in the Reader seem to bring more prospective renters than those in the Union. The rates are economical and the ads are more descriptive. I like the personal service we receive."

"We utilize the Reader classifieds for apartment rentals available along the coast in San Diego. It is the most cost-effective and economical way for us to rent our vacancies." — Robert Ott, Lincoln Coastal Mgmt.

"Dollar for dollar, the best advertising money we spend is in the Reader... we are able to reach a large and varied segment of the population of this county. The calls we get service is good and the results are excellent."

Janie Bishop, Del Sol Property Mgmt.

- Zina York, Scuba & Associates

"We would like to take a moment to tell you how much we appreciate your classified advertising staff. We find that Reader advertising brings results when our other advertising sources have results when our other advertising sources have failed. We have poiled our failed. We have poiled our failed. We have poiled our failed with the separate failed to the Reader advertising. This has been especially true with the addition of the weekend supplement. We seek that the second of the vertices are lower and greater advertising value using the Reader – the rates are lower and resonable, and circulation appears to reach more to utilize this resource.

"The Reader is our best advertising source for the money, bar none! Low cost and high exposure to quality, intelligent prospective renters are what advertising in the Reader is all about."

— Bob Bowden, Seapoint Mgmt.

"I was surprised to continue to get calls on our ad through Tuesday! It started when you put out that supplement. We have stopped using other papers now – you give us all the action we need." Bruce Minteer.

Thanks to my classified representative at the Reader, my rental had a new occupant the same day it was vecated. He helped me write an ad that highlighted the apartments best features, and the right applicant called the first day it came out. The bottom-line sealing live helped with the bottom-line sealing live had with the Reader far surposs those of any other.
