

IT HAD BEEN RAINING OUT IN THE YARD, and the air, he remembered, smelled like thunderstorms

"I was scared, because I'd never messed around with heroin before. It was easy to overdose, With cocaine I knew what was safe; but I didn't know how much heroin it would take to get high." Kelly Jory tells me one December afternoon.

"I knew I could die. But that didn't matter. I was desperate. I had a \$50 paper, and the moment I put that needle in my arm, I didn't care about my problems. It was like riding on a slow, warm wave of love. Like floating on a cloud. There were no worries arymore. I could've seen my whole family get run over by a truck right then, and it wouldn't have bothered me. With heroin I found a way I could escape for a while. A way out. I had a sense of hope." (continued on page 18)

STRAIGHT THE HIP

Dear Matthee: My colleagues and I are at a standoff as to whether England is considered a part of Europe on They say it is, but I disagree. I recall that in college it was stressed that Great Britain is separat from Europe, and that the British people take exception to being referred to as "Europeans," when, in fact, they refer to Europe as "the Continent," Who's correct!

BRAND-NAME MATTRESSES

If the English drive on the left, do they also walk on the left side of a sidewalk, par shoulders — the opposite of America? If I go to England and keep to the right when I walk, will keep bumping into people? — A Pedestrian, San Dieg

Nigel F.J. Crumpet-Wicket, staff Anglo-whiz, harrumphs something that translates to. The English don't walk on sidewalks, they walk on pavements. That vocabulary detail out of the way, he says there's a "slight but noticeable tendency" to walk on the left, but it is "neither universal to the left, but it is neither universal to the left." says there's a "slight but noticeable tendency" to walk on the left, but it is "methe not expected." We get considerably more harrumphing on the other question. As a nation and one-time dominant world power with a long history of assaults from the properties of of turnodalins and laterata, we wouldn't think for a more time were rein including safifs. Nigel. England is England, the Continent is the Continent, and the Historian was a continent of the properties of the propertie

Matt:
Do you know if it's harmful to smell a fart? Does inhaling the odor really me actual particles of the stuff? How does it compare to, say, sniffing a solvent?

Relax, Bart. The research elves found no medical treatises on fart-related illnesses or injuris fart-borne pathogens, or public health warnings about chili cook-offs. Strictly spyou're inhaling bits of the fartogenic substance, but just the volatile odor molecules. I not deadly.

I recently went to one of the local cinemas to catch a viewing of The Phantom, one of mechalibood comic strip beroes. When I purchased my tricks, I received a nity Phantom on the other board with the thenes of a skull. "Now!" I said. "This is ready nearl!" I put on more Phantom ring, and within two days, the skin on my finger turned a shade of gray great to locked decided, underlay. And it swould be true, do about three days to desire the ready of the received the ring. What is it, Matt A curse from some ancient kingdom! A sign! Or all membrase with a material exchanication.

The saign that your Phantom may be a superhero, but he's a cheap superhero. This goas you may read that the saign that your Phantom may be a superhero, but he's a cheap superhero. This goas you nity ring appears to be salver. If so, the Phantom has given his faithful fans junk jeveler made of what's variously called gain metal, German salver, or noticed salver. It's an alloy of misside copper, and zinc that in the finished piece looks like dark silver, but never polishes to the high leven of sterling, but cheap versions can trainsh abd in contact with plant acids and perspiration. The trainsh dyes your finger that sickly gave great (fithering digits are in suffering), but he baskally the same problem, but with a different also). Always, you digits are in suffering. But if you really get off un this second-childhood thing, out the mide of the ring with neveral layers of deta mail polish.

Oh Grand Mattser. I'm falling saleep and beginning some sort of dream squence, then— MO and that right as I'm falling saleep and beginning some sort of dream squence, then— BOOM that right as I'm fall by a bas, causing my body to responsibly possible. The sale of the

What you see, is who you get. Caller ID from Pacific Bell.

The next time your phone rings, imagine being able to tell who's calling-before you even pick up the receiver! With Caller ID from Pacific Bell, you can tell who's calling right away, because the number of the incoming call appears on your display unit after the very first ring-so you can select the calls that are most important to you and return the others when it's more convenient. Caller ID is available in most areas and costs just \$6.50 a month for residences and \$7.50 a month for businesses, with a one-time setup fee of \$5.00 for residences (\$6.00 for businesses). Plus, you have the option of purchasing or renting the number display unit. So take the "who can it be now?" out of answering your telephone, and subscribe to Caller ID today-just call:

1-800-983-9050.

PACIFIC BELL How will you use it?"

1996 Pacific Bell. Available in most areas. Subscription, installation and equipment required.

What Do You Do Now When You Want to **Get High?**

continued from page 1)
Hours later, in the middle of the night, the herom wore off. Kelly was back in his timy cell at Soledad. Hope, a prisoner's only lifetine, had vamshed. And time—he had eight vera to go on his series. Without office, every day a little part of me died Recuase when you're in prison, you have to at a certain was. You repress whole parts of wourdef You even take on other popels' helder, but as You can survive. Hought like held not not the threat of the kept dying, and the prisoners with histories of long districts when the prisoners with histories of long districts helds years as the kept dying. We are in a meeting from at Amity Vista, a community after care treatment center in a semiraral corner of eastern Vista, for exprisoners with histories of long districts helds years as the kept dying in the prisoners with histories of long districts helds years as the kept districts and histories of long districts helds years as the kept districts and his har golden rewords easter and hust, as if rupture informs oner received of unused language.

Prison is where I really started to get into drugs heavy. I was moking pot and dawing 153 and showing ow ame before. But were of where the prisoners with before But were of where I was a districted aboving up-speed and cocaine. That where I started doing betton. You could get any drug you wanted through the visitors. B. H if s expensive — really expensive I could

only afford to do heroin twice a month."

Until he was transferred to R.I. Donovan State Correctional Eachily on Otal Wess and accepted into the Amity treatment pos-gram there, Kelly had never received a minute of serious drug therapy in prison. Not in Soledad, not in Chino, and not it cligaria. Nor is his case unusual.

By the time the heart of the Amity program, Ozell had gent dose

By the time he heard of the Amity program. North hal year does half of his life behind bars, where he was both using add eding, drugs. He did his first prison stretch in Chino and if a diffuse then's Colony, near San Lius Obbyes, for robbers and sale of me-ijuans and cocaine. But once paroled, he went back to be deligan-ing grounds and was caught up again in drugs and ceme. Thein August of 1981, a dope deal in South Central LA went usu "This gay took some drugs and some money that dids the bing to him, and we went to go lake it back." Ozell says: "A strugglebup pended. He got shot in the head. I shot them. I was on the near factor

rears until my crimey got busted for a burglary and

in.

Sitting in the Amity section of the fortress-like Donovan, Ord still looks formidable, a large, powerfully built black man with a gravity voice, though he has a gentle and soft-spoken manner.

I started messing with marijuana when I was ten years old.

cause all my friends was sniffing flue and smoking cigarettes, and adult't want to sniff give and smoke cigarettes. So I started smoking marainan. I did I SD, PCP. In high school, we was using marainan and cocaine, a linit alcohol. I did that for a period of time and then I started stealing cars. I give up in South Central LA. and we were pulling off an many as three of four robberies a night scens like I was doing drugs on the problem. Another the stealing cars is the started and the started part of the street is a night cars. The started really listening to what they were systig.

And as they were speaking. I started really listening to what they were systig.

On the streets and in prison, Orell had become considering and out-searching, with its emphasion sating reponsibility for one's life. Ord made a committeent to stop using drugs and begin opening up.

subtity for one sittle, Czet made a commitment to stop using one and begin opening up.

"Before I got here, I don't think I smiled or was happy or was able to tell people I loved them or cared about them. And I reall didn't alk." Ozell says. "I really didn't even know how to expres myself. Because I was taught that you really don't talk about who you are, where you came from, what you seen, and what you done

That was embedded in me. But now I talk about my feelings all the

That was embedded in me. But now I talk about my feelings all the time."

While the death penalty grabs headlines and executions spark debates on vergeance and redemption, it is drugs, more than anything, that are organized and redemption, and the properties of th

Prisons are full of nothing but hurs kids who are now angradults. Rick Burton, Amily Vista Shead counselors, says one-warm

medies.
"This is a medicine wheel," Burton says, standing in the mid-dle of a round flagstone pavilion inlaid with a mosaic of native wildlife. Each animal represents a sacred direction. The hawk is the

east, the eagle the west, the bear the north, and the turtle the south.

coat, the eagle the west, the bear the north, and the turtle the couth Fast represents hope, wen't shammarly, north is honor, and south is humor, any Rubin Schoo.

Nearby, a gungling stream runs next to a west lodge. Every Wedineddy, a Native American medicine man, a Bear Clain member amend Tubby, ieads a sweat here. And during the cremony, wisdom amid successive blasts of dry, seering heat. Afterward, veryone is purified in the stream's cool waters.

"This is where we do most of our cremonics," asys Burton. We have best of cremony in this process. Because one of the things we figured out about the performance of the things we figured out about the post lives, So we provide them. Everything centually leads to a cremony— whether it's somebox's birth-day or their arriving or leaving or making a commitment. We really meltace the Native American Bietze for some publish; each housing bound the post of the counted so quoty are held. This last room, with a stone freplace, has a warm and homey fed. Candles burn near a corner alart to the Virgin of Candadupe.

to be betrayed.

Takied in Seath Cantral LA., the sen of a rural watermelon farmer whord migrated west from Arkanasa, Orell grew up in a house of age. My father was an alcoholic and a very violent person. And learned that was a way of life, that is how I was able to express moself.

"My father, he was like the Jielou and Mr. I rijke. When he idahi in "My father, he was like the Jielou and Mr. I rijke. When he idahi in a life was a life was a life with a life was a life was a life with a life was life was a life was life was a life was life was a life was visited or violence.

By the time he was 7. Ozell was stealing bottles of booze from

"I started committing multiple orboberies in high school. I was intro-duced into that by some of my friends. We was robbing people in stores in South Central. We was doing it three, four times a night. We was using mar-juana and cocaine, a little alcohol. We did LSD and PCP." Each time twas cause the courts.

Each time he was caught, the courts ordered him into just-say-no-style drug programs. But Ozell didn't really want help. He went, he says, because the programs got him more drug connections.

By 1981, the year he was arrested for murder, Ozell had a wife and three

for murder, Oxell had a wife and three kids — two boys, eight and six, and a six-month-old girl.

"One reason they are bitter is because I wasn't there," he says. "One of my sons, he's not able to express himself yet. My other son, he's trying to grow up to be like me. My daughter is 13, and she's just able to understand. We're working on our relationship. She was born under the

onship. She was born under the fluence of cocaine and PCP. I know I made a big impact on their

Interest or occarie and r.F. i know i made a big impact on their life by being in prison. It was careful to death. The first thing they do when you come to prison. If you know some people, is they give you some dope and a knife."

not come to prision, it you know some people, is they give you in prison. Corel says, he had to 'Greate another individual that I really wan't. Human beings can probably adapt to anything, So adjusted to that, but it really wann the. But I knew it was a way of savvial without me getting hurt. My fear was the thing that kept of savvial without me getting hurt. My fear was the thing that kept the neck and seeing people getting lattle. But you've but sog to to walk on by. You don't have nobody to talk to about it, because if you talk about it, you'd be in violation (of the prisoners' code of you talk about it, wou'd be in violation (of the prisoners' code of you talk about it, bear the prisoners' code of you talk about it, bear the prisoners' code of you talk about it. So will be not be so that the prisoners' you don't have the beat things you don't have I've learn to see thing you don't have I've learn to see to be an animal."

250 EVENING

Opened in 1987, R.J. Donovan State Correctional Facility was designed to hold 2000 men. But like all the prisons in California is near double capacity, in correctional lings, Donovan 1964 offlior medium-security prison. But immates run the gained from non-violent, small-time drug dealers to convicted murderers. Instituty, lifers weren't eligible to participate in Amiry, But from the beginning, Amiry, counted them. "We made a promise that we would try to get lifers in the program, and we kept if, says Elame Advaham." They free deeds in the community. They gave us cred-billy and continuity. And we're training them in a program to be plant and continuity. And we're training them in a program to be plant and the time. The continuity of the continuity and we're training them in a program to be plant and the time. The continuity and we're training them in a program to

neightem do this work.

"Annity was wise. They realized that they had to convince the lifters that this was a good thing they were doing — that it wasn't just bullshin," says Harry Wester. So they went to the lifter's council. Eventually the warden let them bring in one lifer and then two."

Ozell was one of the original lifers admitted to Annity. There are now 17, with plans for 13 more. Still, it took a while before he

saw anything to be gained from high treatment. When he was transfering to Donovan in 1990, dries served his constant companion. They are plentiful if expensive. Heron blocket out the pain that had dought have his life. But Amity appealed to he "partly because off eners even added man in their community that say clean" is the way Ovell puts it. "had I wanted to be like that." At I wanted to be like that. At first his request was reside because he was alfer, But Ord livene again, got an interview, and was

because he was alifer. But Oxd long again, got an interview, and was enthusiastic. Now, five years later, his life has turned around "his life has turned around "while long the long to t

"WE WORK TO KEEP OUR COSTS DOWN AND PASS OUR SAVINGS ON TO OUR CUSTOMERS"

abuse to homelessuess and criminality. And her goal was to create a community that could feat to a fundamental restructuring of lives. To accomplish that, she took the best of what Syamon had to offer and then added things — everything from elements of group therapt to work with rittud.

In Arbitra's eyes. "An and NA were hierarchical, male domined structures," asy Awalaum. That Naya used a female structure and very much a creatal a structure. People weren't above each models and elders by how they demonstrated change. She were models and elders by how they demonstrated change, she was models and elders by how they demonstrated change. She was

people."
Amity members would live, eat, and sleep together, in a proc-sess meant to forge human bonds and unlock deep voices hidden within. But individual and cultural differences were taken into con-

deration, too.

Language was crucial. There are leaders at Amity, but they're of superior. They, too, are recovering addicts. And the ceaseless outper, convented at a moment's notice to handle conflicts and sies, are not called therapy sessions. "Therapy" and "patients" words from the medical model of addiction.
"And when you make people into patients, you make them sick.

But they're not sick. They need to learn, Nobody's better than any-body ele. And there's dignity in that.

By the mid-80s, Annity had two Tucson operations; one housed as many as 180 men and women, and another served young men and women who! been through the prevente correctional system.

A good drug dealer can make as much as \$4000 a week from his cell. And many inmates have help.

began working with male and female inmates inside Tucson's Pima County Jail, achieving strong results in reducing reincurceration rates. Seeing the success of Amin's model, Caldornia was impressed. When the Center for Therapeutic Community Research got a 51 million grant from the National Institute on Drug Abuse in 1991,

A prison in California was the logical choice. Along with a Ike Texas, California led the way in the frenzied prison bude boom that began in the 1980s. And as its immate popular exploded, recidivism rates soared. For every three men paro two were back behind bars within a year.

Iwo were back Definiol bars within a year.

The irony was that California's prison system had on
the forefront of rehabilitation. But the idea that addicts conand reshape themselves fell into disrepute 20 years ago.

"We were running all kinds of programs on drug trethe 1960s through the early '70s, and they worked for sorunder certain circumstances," recalls Dale Sechrest, more nal justice professor at California State University at San Be But we were underfunded. And the successes were mask

failure."
In fact, all of these programs were administered by the Calde na Department of Corrections and thus doormed to failur. vandaism. If ying to how up police cars. And we'd be in jail 15 minutes, and then we'd be out again "cause my stepdad knew all the judges and lawyers." To hear Keily tell it, his step-father had two identities: the popular career Navy officer and named volent. "From the moment he moved into our house, he beat the shit out of our mom." Kelly claims. "He was nuts. I remember between the was prognant with my little brother Jason, out in front of Sunrise Hospital. She was in the rain, her stomach out to here. And he was beat-ing her stomach

Pot, acid, cocaine — Kelly tried them all to get away from the chaos. And once he was hooked, he stole to get more. He was 17 when he did his first armed robbery, bolding up a McDonald's and getting an eight-month sentence in a wouth center for violent offenders. But by the time he was 19, he

But by the time he was 19, he was, he says, "always stoned out of my mind."

One day, while driving a stolen car from Victorvalle to Las Vegas, a police patrol car stopped him. Panicking, Kelly ran from the car, and the policeman opened fire. "He shot me here in my uponer, chest." Kelly says. n my upper chest," Kelly says but after I'd turned around

And if I hadn't turned, I'd prob-ably be dead."

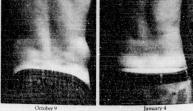

He ended up in a psychi-atric facility in southern Nevada, atris facility in southern Newada, and it wasn't long before he tried to escape. He jumped off a bal-cony one day but was caught. A year and a half passed. Then, when insurance wouldn't cover additional medical expenses, his stepfather transferred him to what Kelly calls "a military investigative detention facility."

investigative detention facility. Fear wells up in Kelly's eyes at the memory. His body stiff at the memory. His body stiff-ens, his left leg begins to quiver. He hunches forward, and the

"They stuck me in there under another name, Jeffrey Sergeant. And for tour and a half years I was in solitary confinement, in complete isola-tion. For most of that time l was in a bed, chained to a wall in a straitjacket. I was taken to a shower twice a week by peopie who gave me my food but would not talk to me. Three weeks of this and I tried to attack the guys who were giving me the food. Then they had to restrain me and give me Thorazine.

they gave me opening up a hole in my mind during those four and a half years I was locked in solitary confinement. But after about a year, poems would come into my head. Now it's like I got an antenna that just catches poems."

Asked to read one, Kelly closes his eyes for a secoad, then opens them wide. "Regny Daze," written in Soledad in 1991, comes out.

The things I've seen you people wouldn't believe, cities of slaves bound by fear

awaiting reprieve while the blood-stained hands of our government

anxiously breaking sacred covenants dip greedily into the vast stagnating sea of our modern-style suicidal society. They extract the articulate

creating vain, mindless men anonymously co-signing this perpetual cycle of sin. And though I have a life here

And though I have a life here

"Ve left something behind.

Not truth, but honor and pride
which was mise
from the hearts of deep, cavernous souls
promising picket erine prisons
between the price of the price of the price
and I've opened my mind
to things not worth knowing
only to find
I've been blinded by a plague of hypocrisises

left unprotected from accepted atrocit And I've seen their false future. It's a mold long since cast. It holds nothing for any of us but a recycled past. Once I have left this fine world of pain all these memories will be lost in time like tears in rain.

"It was a hard time seeing guys get stuck in the eye and the neck, seeing people getting killed. But you've got to walk on by."

If Ozell grew up learning the language of rage and Kelly had his voice silenced, Rubin Schoo grew up learning to live without feelings and to manipulate of the manipulate of

Half-Luiseño Indian and half Chicano, Rubin was born raised in Escondido and spent his early years with his on a small farm on a reservation. In that rigid, harsh ness was something you never showed. That was pa

nes was something you never aboved. That was part names would. When I dod show centritions, my grandsystems sound when I dod show centritions, my grandsystems sound with the properties of the properties of the properties. To get even with them, tobain would murder animals or and then hade the carcases. When his grandsidner would happened, Rubin would say coyoles got them. "And as a fact that the control of the properties of the properties." When his grandsidner would happened, Rubin would say coyoles got them. "And as the memorial properties as potential enemies." When his grandmother deel, Rubin finally saw his heart and viewed all people as potential enemies. "When his grandmother deel, Rubin finally saw had been and the properties was hidden under his blanker, undetected by the dela allow himself to cry in silence." After the diel. I made model that I'd never ever low anybody again, the cause the I'd kaung somewhosh that I loved, I never wanter footlet his basing somewhosh that I loved, I never was not footlet had been also that I not the sake. His brothers and sisters had been raused in the M distins, and from the every legislaming he dish't fit in. Given enough room, a pig will not lie in its own filth but will excrete in a certain place and no other. Food is eaten in a

either. Mud acts as a coolant, and it protects us from pests.
"But surely my pig-man is lazy and dull?"

lary and dull?"
Look in a pig's eye. There, amidst the wrinides and folds and upturned brow, is that the dull, heavy-lidded look of a loafer, a lazybours. a layabour!
Or is it the twinkle and wink of one who is on to something, the secret of happiness, perhapp! Is not your whole life devoted to the pursuit of which is not your whole life devoted to the pursuit of which is not your whole life and the pursuit of which is not your whole life and you have a supplied to the pursuit of which is not your whole life and you have a supplied to the pursuit of which is not your whole life and you have a supplied to the pursuit of which is not your whole life and you have a supplied to the pursuit of which is not your whole in the property of the pursuit of which is not your whole in the pursuit of which is not your which is not haps? Is not your whole life devoted to the pursuit of what we have, empty hours in which to sit and think? All your needs provided for, All your luxuries at hand? Who among you would not rather lie in the sun with something cool against your skin, nibbling on delicacies and musing on the state of things? And yet, this is just how we spend our days, cooled by the slurp and smack of mud-packs, mildly rooting for roots

do not risk muddying the gene pool with inferior strains. Being animals, we do not attach the same significance to sea so. Utilities an entirely objective thing—one mate is chosen over another because of his vital statistics. About book is circulated throughout the pig, world, complete with photographs. Some bases complain of being objectified,

Look in a pig's eye, and you will see the spark of irony, that he knows he's in the cathird seat. and he knows you know it.

and grubs and something deli-cious you buried a few months ago. Look in a pgi sev. and you will see the spark of irony, that he knows he's in the cathird seat, and he knows you know it, and that you can't admit it, and so you have to insult him. "And what about when he,

but they miss the point. We do not desire them, we desire their seed. Unable to perform outside their home turf, they cannot come to us, and we need not come to them. Artificial insemination sees to that. I come into heat once every

21 days. Once in heat, my vulva will protrude and my good humor will disappear. If I am bred, my pregnancy will last three months, three weeks, and there mouths, three weeks, and three days, almost to the hour. If I am left to myself, I swill dig a pit a week before delivery and lei int. If his way, my babies will not fall from me to the ground but will be delivered level with it. The danger of this practice is that I might crush some of them if they fall into the pit with me. Though it pains me to admit it, I cannot see

my feet, and when I lie down I must do so slowly, so that children may have time But if they are in the pit. th may be no place to death among infant

nurse. There is ing a special grun my young I am lett milk. They will ch a nipple, and such to sleep. They are in and so am I.

THE CLOSET

space where we do not Every house must have its own space, a place in which to find its meaning apart from us. This is not exactly a secret place, but it is its place, separate and equal to our own. The cellar is its base, the attic the apex, and every closet a column: a temple of invisible, unlived-in space. We walk among the

pillars of this temple without ever noticing their existence, but in some primal corner of our mind. It is these that give a house its sense of depth, of mystery, or being large enough not only to contain our bodies but

> has shrunk into a crawl space and the cellar into the empty box that is a basement, the

reminders of a time when houses also had souls. The closet, when deep and dark enough, can contain within enough, can contain within itself both cellar and attic, all at once the dark below and the light above — and the secret column that connects them still. that had a closer with a tiny wooden door set into its back wall. I was filled with sudden wonder and the certainty that I had been admitted into a conspiracy all houses have against those who live in them... holding back the very last room of all.

back the very last room of all.

Just to see that timy door was to know how much! longed to live in a place that had in was still a mystery. But houses are no longer built with doors not meant to be opened, and behind that timy the still a still a still a mystery was nothing to the still a longer to the sti

the way we do other rooms. We feel like intruders when we go into them. strangers even. The closet is the room's room, the place where it retreats from us much with ourselves. We may go into closets, but we do not belong in them: even the things we stash there fall away from us to take our their control of the control o

HERE IS WHERE THEY COME TO SHAKE YOUR SMELL FROM THEIR FIBERS AND OBLITERATE ALL MEMORY OF YOUR FORM.

closet and clear a space to sit down on the floor. Feel how the clothes that hang there press hard against you. unwelling to give your commenting to the program of the press. The press hard against you were them, but among their own kind they pretend not to know you at all. Here is always and the present of the present

our possessions struggle against this usage all the time. The closet is less storage area than a place where both sides find respite So, just as it is easy enough to bury things in the mind but not to unearth them later, things get put into closets that then choose to never to come back out. What is hidden resists being found, and we sometimes buy a thing anew rather than face the oblique tenacity of what has been put away.

of this clothing, on the sighs of the shoes. You can smell it as it rises past you, half human and half not, a

These things are our

apples, or in this case, man-goes to mangoes.

To give your readers some tangible cost comparisons, in Baja I buy mangoes for 274 per pound, not 65% purified drinking water for 66% for five gallons, not 79% for one gallons, and breast for 85% a load, not \$4.00 to 100 to 100

insurance, instead of \$625; \$75 for property taxes for a 30-year Bank Trust, compared to \$2100 in California; and \$150 for a dental crown, in-stead of \$650. In fact, with my savings on these items alone, I could probably buy a place at Angel's Camp and live for a very

Angel's Camp and live for a year.

I do agree strongly when it's pointed out that many people do not come to Mexico because they are farial to drive across the border. For the past few years I have been working with a resort in San Felipe and the Baja Bepartment of Tourism, and I lead self-drive caravans to Baja. This gives first dimers on opportunity to visit an unfamiliar country.

without having to be con-cerned about directions, breakdowns, etc. Mr. Daugh-erty (and your readers) is cor-dially invited to join me for a free caravan from San Diego to San Felipe, where he can see how other Americans live in Mexico. Ron Lederer San Felipe, Baja

OUTDOORS

Colorful Foliage along San Diego's coastline lingers well into summer. In the older, landscaped neighbor-hoods of Coronado, Point Loma. Mission Hills, Pacific Beach, and La Jolla, you'll find oleander and hibis-Jolla, you'll find oleander and filosa-cus blooming in many shades and colorful bougainvillea creeping over garden walls. Look for the magnifi-cent clusters of red flowers adorning the crowns of the flame eucalyptus (or red-flowering gum).

The Milky Way appears at its most glorious during August summer evenings free of moonlight (this year, need to be in the inountains or desert to see it clearly; too much artificial light in or near the urbanized parts of San Diego County renders it all but invisible. visible. The Milky Way seems to

Super-beight Venus is currently amid this group. A few bright metears, be-longing to the annual Persed shower that climaxes Monday, August 12, may be seen shooting through the early morning sky as well.

TV

Monkeyshines! Evil primates have a heyday with their (understandably) neyday with their (understandaby) irritable human captives in 1968's Planet of the Apes. Charlton Heston and Roddy McDowall co-star as grumpy man and high-strung ape, respectively. Airs Thursday, AuThe Most Revolting Television Series Ever Made, was, no doubt, Three's Company. The show's theme song alone is so repulsive that it acts upon the human brain like a dark and powerful hallucinogen. One might have thought this scourge a thing of the past, like polio. But no. It's back, in all its enormity. Airs Thursday, August 1, 11:00 p.m. KTTY, Chamel 69.

Worse than a Crack Baby, 1989's uproarious A Nightmare on Elm Street 5: The Draim Child tells the somewhat unusual story of a teenage mother whose baby is possessed by Freddy. Airs Friday, August 2. 9:00 p.m. USA, Cox Channel 35, Southwestern Channel 34.

Assassin Maggie Smith gives a pow-erhouse performance in 1969's The Prime of Miss Jean Brodie. Smith por-trays a well-mannered and fascistic girls-school teacher whose lively out-look on life leads to betrayal, death,

HOLY SONNET, #14

Batter my heart, three-personed God; for, you As yet but knock, breathe, shine, and seek to mend; That I may rise, and stand, o'erthrow me, and bend Your force, to break, blow, burn, and make me new I, like an usurped town, to another due Labor to admit you, but oh, to no end,

Labor to admit you, but oh, to no end, Reason your viceroy in me, me should defend, But is captived, and proves weak or untrue, Yet dearly I love you, and would be loved fain, But am betrothed unto your enemy.

Divorce me, untie, or break that knot again, Take me to you, imprison me, for I

Except you enthrall me, never shall be free,
Nor ever chaste, except you ravish me.

- By John Donne (1572-1631)

British Invasion

The scabrousness and scatology of the language are hardly sufficient to liberate it from the library.

in from the library.

Important though it naturally, humanly, and most of all professionally is for a critic to be thought eternally would had, eager, up to date, early the control of th

Scots dialect and vernacular is, in con-sequence, more of a handkap in these circumstances than it otherwise might have been.) The busy illustrational style allied to, though oftentimes clash-ing with, the jabberingly explanatory narration reminded me of nothing so much as Scorsees's Casino. Which,

Calendar

notwithstanding its Mafia milieu, was no less literary a movie than the same director's hosty-toity Age of Innocence. Street talk can still achieve bookish talk.

The topic of Trainsporting, you will

surely have heard, concerns a group of young Edinburgh deadbeats bound

except for one of their number, fiercely played by Robert Carlyle, who scrupu-lously shuns hard drugs in favor of hard liquor and psychopathic violence: the most compelling portrayal of the lot. (The precise meaning of the title.

s it got lost in one of those unopments in great and gross detail, er than to say that "shit" — pro-inced "shite" — is copiously in dence, not just as a synonym for n but in its more fundamental

he verbal agility and infinitely rewable energy of the characters, ticularly the central one and nar-or (Ewan McGregor), but not to the Sean Connery idolator and stor (Jonny Lee Miller) and the nosed and rat-a-tat-mouthed one en Bremner), might be intended nderline the intelligence and tal-going to waste: representatives of ntire generation. But just as likely tht underline, where there was ention to do so, their unlikeness hention to do so, their unlikeness or drug habit — its feeding and ing — tend to be passed over c even jauntily, in snappy patter, over jauntily, in snappy music. And sual style, as in Boyle's Shallow to a degree that removes the ers from an observational vanin the bleachers and plunks on as sideline cheerleaders or d participants. Much of what as in the movie gives them grounds on which to defend

that literally, of course. A lack of per-spective is scarcely a capital offense.

Supercop dispatches with train forcement to the territory compared earlier in the wear by Rumble in the Brons. For this mission, there were no less than dozens of dust gathering the supercompared to the supercompared without doubles by Chan performed without doubles by Chan double and uncomfortable. Those with lower regard for fiction should have fever quality.

After the bay office figures, the

After the box-office figures, the surest gauge of the higness of *Inde-*pendence Day is that four weeks into its run its newspaper ads still felt no

need of critical endorsements.

New extemporaneous extreme in such endorsements: Roger Ebert on the upcoming Manny and Lo - "Ab-solutely remarkable! Oh, Gene! You

Introducing Reader PHONE MATCHES; a great place to singles.

You are provided with a free personal matching ad in the Reader Classifieds. You also receive a free "voice mailbox"- a phone service that allows you to record and receive messages from any touch-tone phone.

HOW TO PLACE YOUR AD: To place a free Phone Matches" ad, fill out the coupon below and mail or fax it (233-7907) to us. (If faxing, please photocopy the coupon first and then fax it.) The deadline for receiving free Phone Matches" ads is Saturday at 7 am. No free ads will be accepted over the phone or in person. We'll send you a 5-digit mailbox number

(to be printed in your ad) and a 4-digit security code for exclusive access to your responses.

You may also place a late ad until 6 pm Tuesday by phone (235-8200), in our office (1703 India St. at Date St., downtown), or by fax (233-7907). The charge for these late ads is \$20 for the first 25 words plus \$1.20 per additional word. Ads placed by phone or by fax are with Visa, MasterCard or Discover only.

HOW TO USE YOUR VOICE MAILBOX:

After you receive your mailbox number and private security code, you can record your personal introduction and listen to your responses, Call 527-1966, 24 hours a day and follow the easy instructions. You must have a touch-tone phone.

QUESTIONS? Call 235-8200, ext. 268.

MEET YOUR MATCH! Use the form below to place your FREE, 2-week Phone Matches" Ad and get your FREE Voice Mailbox.

TO PURCHASE AN OPTIONAL HEADLINE, use the lines below, keeping in mind the following: 20 characters per line including spaces; the first initial of each word is capitalized: abbreviations and unusual punctuation will not be accepted; the cost of each line is \$12. Continue on a separate sheet if necessary; no more than 10 lines. Please print clearly.

Clint & Kerstin Crowe

26, DOWN-TO-EARTH, California guy, 6'4", 180 lbs., blond hair, eyes, looking for adventurous female for travel companion, be more. Going to Baja late October.

rstin: Every once in a while I would answer one or two Phone Aatches ads, and then I'd wait a few months and try again.

At the time, I was just looking for companionship. I had anned a two-week trip to Baja and wanted someone to co

stin: I love to travel, and going down to vico sounded real attractive to me. I left a age in Clint's voice mail but didn't hear him for a week and a half. I thought he interested.

Right after I ran the ad, I got into a three er accident. I had three broken ribs and a ted shoulder. So I had to call Kerstin and the trip was off.

I didn't even know what a three-was. I'm from Germany and we don't v deserts

On our first date we went out on We sailed around Mission Bay out on the ocean. Afterwards, inner at Casa de Pico

At first I was a little skeptical. three weeks. I knew he was it. He was down-to-earth and not tlaky Clint: We traveled a lot that first year — Germany, Austria, Utah and a short trip to Mexico. Then Kerstin got deported. That's when I made up my mind that I didn't want to lose her.

Kerstin: My visa expired and I went down to the INS office to renew it. But they said I had been in the United States long enough. They sent me over the border to Mexico with nothing only the clothes I was wearing. I called Clint from a pay phone, crying, "Can you pick me up?"

Clint: I had to sneak her back across the border. Then we got an immigration attorney, and she had to return to Germany and come back again.

I proposed before she left.

Kerstin: I said, "Oh, yah!" The INS said we had to get married in three months. So I had to make some quick wedding plans.

Do you have a Phone Matches"

Clint: We've been married for a year and a half inner we've been married for a year and a half now. I keep running into other married couples like us, people who found each other in the Phone Matches". Even my doctor met his wife through the Reader.

Kerstin: You have a much bigger pool of people to choose from than you would in a bar. I tell people not to give up if they don't meet someone right away. It's like the lottery: if you don't try, you can never
