oppose the expensive secondary treatment option, says that the savings thus gained for sewer ratepayers by dropping sec-ondary may evaporate in a tor-rent of cost overruns. "History demonstrates that

Under three circumstance, the public has at least a chance of reviewing the numbers. Unfortunately, swings a past history, it's almost guaranteed that the true numbers aren't being presented publicully. Moreover, no one on the council speaks up and demands as independent saulysis. Every single member of the council metchy accepts the numbers brought forward by the mininger. No questions are addressed.

What is costing so much? The city's wasteware program runs the game from subines high-sich wasteware program runs the game from subines high-sich water 'reclamation' plants to mandate shadpe reclamation plants soon such as the subject of the reclamation plant, soon scheduled to become operational, conting a less \$250 mail. me they treat everybody the same way I move on to another topic. "What, exact ly, do you do?"
"Our job is to answer

"Our job is to answer very question from the media. We do press notes on a daily basis — oght pages of game information, pitching information, and trends. We do whatever press releases that come out. We work on the Padre magazine, we do the media guide. It is a work as year, a bour a day job.

All right, ekay, It iny throwing the ball from left field. "Are there guidelines to players to follow when they meet with the press."

press?"
I don't understand your question.
"Professional athletes are notoriously hard to interview because they speak in safe, hack phrases. Do they learn that along with a fast-ball or are they coached a little

one has had his own experiences with the media. Everybody has his own style. You're dealing with 25 indiveduals in a basebail team and things will be done 25 different ways. If a guy goes 0 for 4 with 3 strikeouts, right after the game might not be the

best time to talk to him about the full piece you're writing for next week."

"How do you view the media?

"The public perception of a team as being very important to the success or fail-ure of a ball club. 'I've worked in newspa-per, TV, radio, I've done play-by-play and I think I've got a pretty good understanding of what the media is looking for and what to the in-verse mean."

ole in society is."
"What is the media looking for and

"What is the media looking for and what is to role in society?" Well, people what IV, fleey read the revespaer. People who are in the newspa-per everyday or who are in TV delling you what's going on are intellectual people. They are able to affect public upinion. there's no question about that. It's pretty bast, it's pretty simple.

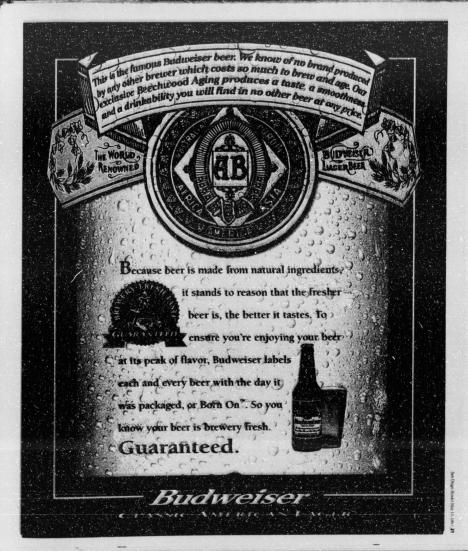

It's pretty simple.

It will be the worked as an intern at the Mineri. Headling from the worked as

and did some TV work when he was in col-lege. He's been with the Padres for six mouths. "What's the fun part of it?"

"Being around with the Tony Gwynns, the Ken Camminits, and at the end of every-day knowing you're going to get to watch a ball game."

them in his spare time and on weekends. Von Gunden let him use his locations and his honey extraction equipment. In 1985 Mikolich went on his own. He

Mikolich made 60 barrels his first year — 40,000 pounds of honey, and a lot of honey by most standards, but it was not enough to live on thoney went for about 50 cents a pound wholesale then, with the Sug Bee Cooperative). The next year hemade 100 drann, about 5,500 pounds, but still not enough to pay the bills. Then, in 1988, the bank called in the bass Mikolich took a second mortpage on his cook a second mortpage on be.

house. He took on odd jobs, hauling things with his truck, lating things with his boom. He and his family had plenty of boney, which probably made it casier not to have plenty of a lot of other things.

But in 1991 there were beny winter rains, a Bood year, and though that meant diaseter for some people it means the proposed of the

pounds of honey that year, working his various migrations. In more distribution of the production of t

response of a task force.

Additionally, 1995 was a
great year for beekeeping because
the price of honey rose dra-

matically. Wholesale prices had been between 45 and 65 cents for many years. Prices had been tending toward the low end, after the termination of the fed-eral honey support program and with the importation of Chinese honey at rock-bottom prices. But in 1995, after imports were restricted, wholesale prices were restricted, who were the control of the contro

ply and demand of pollinators thus driving up pollination prices. Honeybee mites also attacked other kinds of bees, the indige-

Planners O'Commor said she worker bour grosseques because "when you write for the hard of when you write for the hard do when you write for the hard do.

hearing, one must shout," I do not think of Topor or Curley or the others at this har as grossques. At the same time, with sexuality an expression of self, this har and these people suggest our prodain culture in revene 1 need to breathe and slip outside where the air is cool and the moonless sky black.

As Lexi Steiner walked down the hallway of the federal court building in San Disa, but the second of the men you didn't care alour was 22 acquired tate and that she had acquired it. — From Slow Dancing by

Earlier this week, "rtannah Coltarlier this week, "riannah Coi-lier" (not her real name) met me for lunch at a Del Mar restau-rant. She quickly come to the point: Should we try and crash a swingers' party? Collier knew of my interest in exploring sexual desire and had the address of a club that met the first Sat-urday of every month. As we talked, she ate her food with the relish of a woman who enjoys pleasure.

admit I was curious." Later she was invited to another private house party. This time she west. Everything was olay, she scalled, it seemed normal enough, people in small groups chatting. At one point, Collie took her glass of white wine and stepped out back to look at the pool. There, in the shallow end, the saw a large time, and the same time, and the reliah of a woman who enjoy-pleasure.

Coller is a carhedral of a woman, tall with strawberry-woman, tall with strawberry-woman, tall with strawberry-woman control was a strawberry-woman tall with the collection of the collectio same time," she said, "I knew the party was supposed to be for sex, but still, when the woman started making these loud noises — il was like an arismal. I've never heard anything like it. Anyway, it spooked me and I left." Collier learned of a circuit

Collier kerned of a circuit of monthly parties where women are always welcome, but a man must be accompanied by a wanaa. Home, owned or rented by swingers were given over to swinging, From what she could gather, people parked away from the homes oa an ort to alarm neighbors, Inside, furniture was

moved and mattresses laid on the floors. There might be an a norm with straps hanging from the ceiling. Women, it seemed, were about 9th one shows the ceiling. Women, it seemed, were about 9th on a bendery, of those questioned, where a bours the contract of the contract

what straights — adulterous swingers — were keen to use. In the Xandria Collection, a mail-order catalog of sex tops, I found lubricants and lotions (Fever Body Lotion "makes the skin heat up in anticipation", clitoral stimulators, desensative citizal stimulators, desentative cream for men, a string of pearls (which hangely wolf lossys from your recet apples to give vou the most delightful sensations. Playful electrone from or, if you daze, wear them under your favorite blosses all day long?", boooks, and a range of wheatons moded to look phallic, with names like "Cupid's Cuiver. Hoosey Diego: Thrifter, and Taay Spacery. In each case with the control of the cont

Coller described the situation as one of the monthly parties, is became clear we could not just show up, take a peek at the setup, chat with some of the attenders, and then leave. We might have to perform— and maybe not just to perform— and maybe not just to perform.

ACTSNET 637-3600 with each other. Hannah looked at me. I looked at her. "Let's pass!" we said in one voice, and slapped five.

Back at the bar, Zak Topor is putting on his jacket. "We're leaving, 'he says, We shale hands, he and his bortiened and Trish Curley and her girlfriend head for the door, moving through the crowd in a single rumba line. It's getting late the bar has twice, as meany customers as it had an as many customers as it had an hour ago; and I'm feeling blue. It's sex with someone you love."
It's sex with someone you love."
I wonder why these people don't
cell it a night, go home, and
make it with someone they love. rake it a night, go nome, and rake it with someone they love. A straight friend admits to weep-ing in the course of the act, for him, it is proof that he is alone, and he is lonely. Maybe Fromm was right. If man's deepest need is to leave the prison of his aloreness, to overcome his separate-ness, then the act of self-love

In the name of research, I had attended a 12-step Sex and Love Addist. Amonymous meeting, where I observed the consequences for those who seek to overcome their senie of separateness and isolation through sex. A chilling tension permeated the room. While meetings for alcoholics don't have booke. for alcoholics don't have become not overenters food, nor gam-blem die games, it a sex addicti-menting, attendees stringle for independence while in the coom with their addiction, others whose excuality matches them. Here at the lagle, as men stand about, taking in pains or groups, or eyeing eich other, (cannot dem-mine the level of sexual dy-function, but I do feet the pres-erse of something akin to that

Through the haze of smooke and anoving phantoms, a man pops out of the crowd, heading, for the and Bernard. His head of premature white hair has been beez-cut. He wears a black leither

vet and jeans. He has a wide, happy smile. "What the,..." cries Remard and swarps the man in sheer hog, "How have you......." "Bet you look,......." The pair exclaim in half sentence, old friends catheng up. The stranger speaks with an English accent. When Bernard has a morner to catch his breath, he turins and introduces one to Owen Lyons. The turne, when checked, was 11-88.

Through in many of its aspects this visible world seems formed in love, the irvisible spheres were in love, the irvisible tormed in Irigin.

— Herman Melville.

Moby Dask

2.25 a.m.

Excitement and fear twist

I know Lyons. Our ritual together has cut across barriers of dominance, of race, of private historical reckoning. I understand that he craves dauger, the opportunity to abase hisrapit, the chance to suffer humiliation. I suggest he carry some ID, in case we get stopped. He says doesn't marter, and summer their guite his continuation of the comment of the summer than the continuation of the comment of the summer than the continuation of the co remember this moment, and I do. I open the door, and we descend the two flights of steps, the cool black air filling our

fungs.
A black mer, fully clothed, and beside him a white man, all but naked, stroll a sleeping neighbut radicel, stroll a degring neigh-borhood at 4.50 in the morning. We circle the block. We don't alle, It is chilly and Joon's field-has pithodi. A main bends over papers at his cheek in a second-tive paper of the deal, it is school to his shadow agained the wall. We pass introduced. A cut gaze at sur-freen under a parked fax. Sup-pose somewine boold see us and call the postice! What at the copt spect, we light fashing! What if we times someone out with agents of the copt of the copt spect, we light allow gives the copt of the copt of the copt spect, we light fashing! What if we times someone out with agents of the copt of the copt spect, we light allow gives the copt of the

I Had No Idea I'd End Up A Toon I always wanted to have one of those carnival portrait artists draw me. I wondered what I

would look like as a cartoon character. Now Iguess Lenow after seeing myself in the Reader on the "Blatt" page cartoon. When the gay with the long hair came up to me and was asking me questions. I wondered why he seemed to be sketching me instead of just taking notes. He said he was getting materials for the Reader, but I had no idea I'd end up a toon. I have two questions but I had no blea I'd end up a toon. I have two questions though. Was that goy Jey Allen Sanford or loe Paradise? And am I supposed to get paid solarching now for being in your paper. Thank whoever drew if for making my breasts look so big he sure did flatter me, but now nobody believes it was really me shen I tell them!

About 5000 ravers showed up at the Sports Arena May 3 for what will

THE INSIDE TRACK

tough break for us. You work really hard, then somebody rips you off." A person selling the tickets was caught by Sports Arena personnel and arrested by San Diego Police. Planet Genius did not press

records' return. No such luck. This was DJ Lars' West Coast debut, Vanessea asys theffs like this "just happen," but some deejays make sure they lock up their precious vinyl at big.

up their precious vinyl at big events.

The futuristic fashion show featured a nude lady covered in dried-on liquid latex. Pepbrows rose higher as her second skin ripped in some spots. If you missed it, Planet Genius plans to announce a weekly dance gathering beginning around Memorial Day.

R.A.

beard into flower, Buck-O-Nine will make it their SOMA CD-release show fomorrow. Not much more can go wrong with the 13-passenger Clery they bought last March, says fon Pelssworth, vocalist for the seven-piece sla band. "We bought to wo or

problem)."
Pebsworth says the van Pebsworth says the van has averaged more than one major problem a month. He estimates they've spent more than \$12,000 on repairs, about what they paid for the

van.
"We've had differential problems, we've had brake problems, there were all these metal flakes in the air conditioning system.... We're on our third transmission, we've had the carburetor rebuilt. We've had speedometer problems. ve ve has ne carouted.

Ve ve had me.

choult. We ve had me.

When ve went in for the

When ve went in for the

vas a whole bunch of mud up

in the differential. So we were,

like, 'How the helt could there

Well, your vain's probably

been submerged in water.

"The latest problem was

[about a month ago] in

Canada, and we were driving

along on this Se. We were

following filer freat to Face

tow! bus and they stopped

really fast. Scott, our bas

player, was driving. He

adammed on the brakes and

we (spen our twice) on the

well grain out twice) on the

verying around and idapped

the side of the van. The van

didn't suffer any major damage. We were able to continuo on, but what happened was it smashed a good dent in the side of the van where it reveded a whole side vali of Bondo. When they sold to the van they guaranteed us that

warranty had that much value.

"We probably visited four dealerships across the country," says Pebrovorth.

They would say things like, 'The air conditioner as a whole init covered by the warranty,' but the labor and nuts and boths and a few parts were. So, like \$50 worth of the service was covered and \$500 vrant's.

estly, originally, and energetically, the question of "getting it" is meaningless. More than any other band, the three women in Shoese Knife bear the brunt of this kind of talk.

Shoese Knife gen.

Shoren Knife gererated a cut following in the U.S. when its ambteuriship ylayed Buzzcocks/Ramones punhpos sorgs about candy, animals, and bicycleserdeared the band to high ters, in the late 50s. Whetter h was for read of a punch. Blade Makatawa, and Medicand Atwalke Vancaneseemed like Hello Kitty

as a rock band. When Shonen Knife signed to Virgin Records and started releasing slicker, more professional-sounding albums, its hipness factor started to sile away. I guess, once American known all saw that Shonen Knife could play medicare puril-jedo as well as Westerners, they diverser not sound and Cibo Metho for their fix of women singling.

about animals and took.

The and Cockayes those open.

To hear a sample of Shonen Knife, car.

233-9797, walk for the prompt, then punch is car.

Introducing Render PHONE MATCHES, a great place to meer Sun Diego singles. You are provided with a free personal matching ad in the Render Classifieds. You also receive a free "voice mailbox"- a phone service that allows you to record and receive messages from any touch-tone phone. HOW TO PLACE YOUR AD: To place free Phone Matches" ad, fill out the oupon below and mail or fax it 233-7907) to us. (If faxing, please photocopy the coupon first and then fax it.) The deadline for receiving free

Pariet CLEARLY First 25 words are FREE, \$1.20/additional word. Continue on a separate sheet if necessary.

(to be printed in your ad) and a 4-digit security code for exclusive access to your responses.

You may also place a late ad until 6 pm Tuesday by phone (235-8200), in our office (1703 India St. at Date St., downtown), or by fax (233-7907). The charge for these late ads is \$20 for the first 25 words plus \$1,20 per additional word. Ads placed by phone or by fax are with Visa, MasterCard or Discover only.

NOW TO THE YORK TOKE MAKEBOK:

After you receive your mailbox number and private security code. you can record your personal introduction and listen to your responses. Call 881-2000, 24 hours a disc and follow the ener interestions You must have a touch-tone phone.

GSESTIONST Call 235-8200, ea. 268.

We're Together, the world's leading personal introduction service - the best way to meet someone special. Better than videos - where you can watch for hours, and meet no one. Better than personals where you have to ask, 'Is it fact or fiction?' We introduce you to compatible people who want to meet you. And because we do all the work, it's very convenient.

> If moments like this are special to you, call Together.
